School Vote Set

A plebiscite is set for July 24 on the debenture by-law to provide funds for the construction of a regional high school in Evansburg.

The County of Parkland and the Edson School Division have agreed to build a regional high school in Evansburg for the high school students in the western and eastern sections respectively of the two school jurisdictions.

All proprietary electors in both the County of Parkland and the Edson School Division are eligible to vote.

Mrs. Davidson Wins Plaque as Clerk of Month

Mrs. Esther Davidson, an employee of Pembina Drug Co. Ltd. has been named "Clerk of the Month" for June and was presented with a plaque in recognition of her achievement.

The presentation was made to Mrs Davidson Saturday morning by Mr. Jack Pickett and Mr. Ken Retallack, representing the Retail Merchants Association, sponsors of the competition.

The Clerk of the Month is chosen by a phantom shopping committee who judged employees on the reception they receive during visits to various business places. A selection will be made every month until December. when a grand winner will be decided.

New Principal At St. Anthonys

Mr. R.P. McDonald has been named Principal of St. Anthony's School to replace Mr. T.A. Tetreau who resigned the position to take up a new career with an Edmonton investment firm.

Mr. McDonald has been a Drayton Valley resident for the past four years. He taught one year at Frank Maddock High School and has been on the staff at St. Anthony's for the past three years.

A former Edmontonian he studied at the University of Alberta before coming to Drayton Valley.

Green Hats Promote Rodeo

Green western hats are beginning to appear of more and more Drayton Valley heads as the four sponsoring clubs of the Evergreen Rodeo begin moving the 1,800 promotion items that arrived last week.

Members of the Elks, Rotary, Lions and Legion are placing supplies of hats in local business places and would appreciate the assistance of residents in promoting the Evergreen Rodeo on August 15 and 16 by buying and wearing one of the hats. Price of the hats is $1.00.

Heavy Rains Raise River

Heavy rains in recent days have boosted the North Saskatchewan'River to several times its normal size for this time of year. This photo taken from the east end of the bridge at Drayton Valley shows the height of the water at the weekend. Upper left: Arrow indicates location of crushing equipment marooned on a gravel bar and almost submerged in the rapidly rising tide of muddy water.

COUNCIL BRIEFS

Summary of a regular meeting of Drayton Valley Town Council held in the Council Chambers of the Town Hall on Thursday, June 26th.

x x x

Bylaw No. 447, authorizing the purchase of raw land from John R. Mackenzie for subdivision into residential R.I.A. lots was given third reading.

x x x

Council approved the sale of residential lots to John Mackenzie Jr., John Zelenak, Mike Dubina, Gerhard Grieb, Superior Construction and Eric Jaap. The necessary bylaws for these transactions were given three readings.

x x x

Council declared Monday, August 4th, as a civic holiday.

x x x

The Secretary-Treasurer was selected Enumerator for the town for 1969.

x x x

Council discussed a proposal by Mrs. M. P. Lindgren regarding the subdivision of raw land for residential purposes. Council was of the opinion that the parcel of land between block 23 and block 45 should be developed before other areas are opened. The parcel suggested by council lends itself much better for servicing and complete all-round development of the community.

x x x

Next meeting of Council, Thursday, July 10th.

To Present Program For English Club

The International Service Committee of the Drayton Valley Rotary Club has prepared a group of slides about the Pembina area and Western Canada in general, to be presented as a program at a meeting of the Kenton-Kingsbury Rotary Club in Hatch End Middlesex, in England, as a part of International Service. Not only are they supplying the program, but the Drayton Valley Club plans to provide the speaker, too!

This program began over a year ago when David and Jenny Hatto came to this country as newly-weds; Mr. Hatto to teach at Seba Beach.

At that time, Mrs. Hatto's father, Rotarian Fred Hasson, a member of the Kenton-Kingsbury Rotary Club, concerned about the happiness of his daughter in a strange land, contacted Rotarian Jack Bright, who had been president of the local club.

Ensuing contacts of friendship between the Brights and the Hattos served to help to make the new Canadians feel at home away from home, and the Hattos appear to be enjoying Canada very much.

But this contact between the two Clubs provided the seed for International Service - - an interchange of thoughts and information between the Kenton-Kingsbury Rotary Club and the Drayton Valley Rotary Club.

For several weeks the International Service Committee has been preparing the Western Canada Story in color slides, and Rotarian Jack Bright and Rotary Ann Kathy Bright are going to coincide their proposed visit to England with this International Service program and will present the program sometime this month to the Kenton-Kingsbury Club at one of their ladies' nights.

This will be the second such inter-club contact that Drayton Valley Rotary Club has undertaken, the last one in 1961 with the Rotary Club at Rylestone-Kandos, New South Wales, Australia, when several months of information interchange culminated in an interchange of colored slides complete with taped commentary.

It is the hope of the International Service Committee that Rotarian Jack will return with a photographic record of the present program and how it was received.

Achievement Day Winners

Winner of the Grand Championship in the 4-H Achievement Day held in Drayton Valley last Friday, Marilyn Rasmussen is shown on the left with her Charalois calf. At the right is Bartle Guyon with his calf that won the Reserve Grand Championship.

PLAN BINGO

The Drayton Valley Senior Citizens Club has announced plans for a cash bingo on Wednesday, July 23rd. To be held in the Elks Hall, the bingo will get underway at 8:00 p.m.

Summary Regular Meeting Of Parkland Council

A continuation of the last regular meeting of the Parkland County Council was held Monday, June 23rd with Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors, Robert A. Bailey, Roy Lent, George Mann and Ivan Vowk present.

Mr. Kent Craig, Assistant Public Works Manager was present at the meeting and discussed with the Council various phases of the 1969 construction program and other public works.

Request for access to the south side of Lake Wabamum was received from the Edmonton Fish and Game Association. It was agreed that Councillors Miller and Lent contact Mr. J.H. McLaughlin who is a director of Calgary Power Ltd. with a proposal to open the road between section 20 and 29-52-4-5 if Calgary Power Ltd. will authorize development of a camp ground near the lake.

Messrs. Walter Brusnyk and Tom Brusnyk of Wabamum called on the Council regarding proposed development of a trailer court on the SE 11-53-4-5 om Wabamum.

Mr. D.J. McPhee of Consolidated Concrete Ltd. of Edmonton called on the Council and presented an offer to sell gravel to the County from their Villeneuve pit.

Mr. Adam Schram of Spruce Grove offered to sell a quantity of gravel to the County from the NW 27-53-27-4.

It was agreed that this offer be not accepted due to the large volume of gravel that would have to be handled and that negotiations be made for an agreement on a yardage basis.

Delegation of five councillors from the Municipal District of Sturgeon were present at the meeting and discussed with the Council the possibility of jointly reconstruction of 156th street from 118th avenue, north two miles.

Representatives from Steel Brothers Canada Ltd. and Rex Underwood Sand and Gravel Ltd. were present at the meeting regarding the condition and requested Improvements of the Heatherdown road.

It was agreed to contribute $1,000.00 towards gravelling of the Heatherdown road.

It was agreed that Councillors Lent and Mann inspect a location west of the NW 18-53-1-5 and recommend regarding ditching requirements.

ESTIMATES OF REVENUE AND EXPENDITURE

Estimates of Revenue and Expenditure for the year 1969 were accepted.

By-law No. 14-69 authorizing the secretary-treasurer to levy the following various mill rates on all rateable properties in the County to meet all requisitions made upon the County and all estimated expenditures of the County received first reading on motion of Councillor Miller, second reading on motion of Councillor Mann, third reading on motion of Councillor Vowk and finally passed by Unanimous consent of the Councillors present: - School Foundation Program 28.00 Mills; County School Unapproved Costs 12.50 Mills; Edmonton Public School Unapproved Costs 18.00 Mills; Edmonton R.C.S. School Unapproved Costs 18.00 Mills; Tomahawk R.C.S. School Unapproved Costs 12.50 Mills; Violet Grove R.C. S. School Unapproved Costs 12.50 Mills; Drayton Valley R.C.S. School Unapproved Costs 12.50 Mills ; Alberta Hospital Act 4.00 Mills; Stony Plain Hospital Dist. Unapproved Costs .50 Mills; Drayton Valley Hospital Dist. Unapproved Costs .50 Mills; Norwood Auxilliary Hospital Dist. Reg. .06 Mills; Meridian Foundation Reg. .23 Mills; Health Unit Reg. .77 Mills; Municipal - General 19.16 Mills; Debenture Debt 78 Mills; Recreation 1.00 Mills.

Request for approval to place "Cattle Crossing" signs south of the SE 32-48-7-5 was received from Mr. James Beckett of Drayton Valley and approved.

REGIONAL RECREATION DEPARTMENT TROPHY

Request has been received from the Regional Recreation Department for the County to provide a trophy for Track and Field competitions between the various playground groups within the recreation area.

It was agreed that the County provide a trophy for annual competition, the price of the trophy not to exceed $20.00.

Offer to purchase the SE 25-49-7-5 for the sum of $800.00 was received from Mr. B.W. Herold of Drayton Valley. Refererd to Councillor Vowk for inspection.

Letter dated June 18th, 1969 from Mr. W. Shumborski of Seba Beach was read to the Council claiming payment of damages to crops done by a County owned fire engine.

It was agreed to refer this claim to the County insurers for attention.

It was agreed to call for tenders for all insurance requirements with tenders to close on August 15th, 1969 and coverage to be provided by the successful tenderer effective January 1st, 1970.

Mr. Fraser Smith from Xerox of Canada Ltd. was present at the meeting and advised that the present photocopier in the office is overworked and recommended that it be replaced with a larger copier which would do the current volume of work at a lower rate per copy.

It was agreed that a larger copier be installed on a 15 day trial basis.

The meeting adjourned at 5:20 p.m. and reconvened Thursday, June 24 with Reeve

RAMONA NEWS

Congratulations to Marilyn Rasmussen on winning Grand Champion with her steer at the 4-H Achievement Day on July 4th. Marilyn's uncle and grandparents drove up from Three Hills to see her take top honors, Robert purchased his calf from his uncle and was fourth in the Drayton Valley club. Congratulations also to Bartle Guyon who's calf was the reserve grand champion.

A shower was held in the Ramona hall Friday evening for Sharron Ennis who will marry Walter Brezina on July 26th. Bingo games were played after which Sharon opened her gifts. Sharon thanked the ladies for the many lovely gifts and thanked Mary and Marion Kmyta for putting on the shower. Mary and Marion had also decorated the hall which looked very nice. Everyone present enjoyed the evening.

The Keith Davis family are driving a greenish-blue 1969 Pontiac. They are going to break it in right by heading out for a holiday on Vancouver Island On the island they will visit Keith's folks and sister. Keith's sister has been a missionary in Viet Nam for the last three years so this will be a happy reunion . Happy holiday folks.

Mrs. Fletcher and family has had her father visiting them for a few days from Grande Prairie Alberta.

Mrs. Woodruff and Bill motored to Calgary on Saturday for a wedding. Mrs. Woodruff's niece got married. We hope you had a nice trip.

LETTERS TO THE EDITOR

Horen, Alberta

Mr. R. B. Smith, Editor
The Western Review
Drayton Valley, Alberta

Dear Sir:

Having read the front page article titled "Mail Delivery Service Sought" in your paper dated June 18, 1969, I am at a loss to understand why members of a Farmers' organization are proposing the beginning of an end to their own community?

Are they not aware that every time a business or a service is taken away or closes down, the community becomes the poorer for it? The people requiring those services merely have to travel farther to obtain them!

Granted, the mail delivery would become a reality, how far would the people have to travel to buy a money order, take out a registered letter or a parcel, from this "Larger Centre" where the Post Office distributing their mail is located?

Would the members of the Millbank F.U.A. Local know how much postage to put on an Air Mail letter to some distant country, or on a parcel they are returning to the T. Eaton Company, because the articles of clothing or whatever don't fit the way they expected them to?

Even at first glance, the disadvantages far outnumber the advantages of a rural route, but more will usually show up after it becomes established and cannot be undone.

Let us keep and support the small village businessmen for a live, healthy economy to the whole community! The small village is the heart of a community, much like the hub of a wheel. Once the hub is gone ths spokes fall every which way and the wheel or the community falls apart.

It is up to each one of us, to keep our community alive, as that is where people want to live or buy land in!

The rural route will further set the trend to shop or socialize in the larger centres, meeting our neighbors on the road only, as we travel to and from our homes in a dead community!

That's the Way I See It.

Dear Sir:

At a public meeting held at Breton, Alberta on June 27th, sponsored by the Alberta New Democratic Party the following resolution was passed:

Be it resolved that we protest the Medicare premium structure as being inequitable and placing a burden on low income groups. Be it further resolved that in the absence of any explanation from the government as to the criteria used in computing Medicare premiums we can only conclude that the government is cynically using Medicare as a form of indirect taxation. And being further resolved that we urge the government to introduce a premiun free scheme.

Yours truly,

Ingrid Martin
Secretary

Niton, Alberta

The Editor,
Western Review
Drayton Valley, Alberta

Dear Sir:

I am writing over a long-standing conflict in the Edson School Division, a conflict that appears to be approaching a solution this summer. For several years now, the Edson School Division Board has been attempting, rather unsuccessfully, to eliminate Niton High School and replace it with a large composite high school located either 30 miles west at Edson or 30 miles east at Evansburg. Originally the plan was to bus all Niton high school students to Edson when its new school opened, but this plan fell through due to the tenacity of the Niton people who firmly resisted the plan. Furthermore, the Niton parents had a school strike five years ago in order to prevent their students from being bused to the already overcrowded facilities at Evansburg. The parents won their point and retained their school, but since that time the school Board has been persistently attempting to make it difficult for the school to operate by not providing proper or equivalent (with other schools) facilities and equipment, and by delaying the hiring of additional teachers. Despite all this, the school has survived and has one of the best records of teacher continuance in the Division, as well as having one of the best grade 12 pass records in the Division.

Last year came what the Board felt would be the "coup de grace" for Niton and its stubborn inhabitants: the plan to build a new composite high school at Evansburg to include the students from Evansburg, Wildwood, Seba Beach, and Niton. This new Edson-Stony Regional High School District would be unique, since it would take students from two school divisions.

The Board of this regional high school district assumed that the posting of the money by-law on the school would be the mere formality towards the actual construction of the school. Taxpayers' money was even spent on the project before it was approved.

When the Niton ratepayers, along with ratepayers from many surrounding districts, (including Hinton, Edson, and Wildwood) collected petitions for a plebiscite on the money by-law, the petitions were casually thrown out by the authorities operating the new Edson-Stony Regional High School District. They claimed that most of the signatures were illegal. Apparently the Supreme Court of Alberta did not feel the same way, declaring that the Department of Education and the Edson-Stony District were both at fault and stating that there must be a plebiscite to decide whether to construct the school. This plebiscite was never held. In addition, the court victory proved extremely costly for the Niton area people who were forced to pay the entire court costs out of their own pockets.

Subsequently, the Alberta government, in its benevolent posture, passed new legislation to cover up its previous mistakes, and presented a new money by-law for the construction of the Evansburg School. As of this letter, the petitions have been accepted and a vote will be held on July 24 to decide the issue.

I am writing this letter on behalf of the people of Niton area in order to present some valid reasons for the preservation of Niton High School and also to illuminate people about the Niton side of this issue, a side which has received little publicity. The spark to this letter was a letter sent by the Evansburg grade nine class. This letter stated that the students were disgusted with the deplorable conditions in the Evansburg Junior-Senior High School. While we would agree with Evansburg on this matter, we do disagree with Evansburg on the ultimate solution to the problem.

First, it appears that Edson School Division (with appointees from the Department of Education) the Edson-Stony Regional High School Board and the provincial government are determined to destroy Niton High School. They claim that Niton, being a small high school (50 students) is not capable of offering the large variety of educational courses and programs needed by high school students today. While Niton does not teach a wide range of subjects, it does provide complete academic and commercial high school programs, which we feel are quite suitable for the students attending our school.

Any proposed new school at Evansburg would have less than 300 students and actually could not offer the wide range of subjects as suggested. Difficulties in acquiring qualified teachers to teach these special subjects would also be a major problem.

The major Niton objection has been the great distances that students would be forced to travel to reach the Evansburg High School. We are afraid that the end result of all this would be a sharp increase in the number of high school dropouts, something which has occurred in other areas where long-distance busing was initiated. Boarding students is not a feasible alternative since this could be equally detrimental to students as shown in other parts of the province where this has been tried. People living in a farming area want their children at home, where they can receive a good family background and training unhindered by the usual problems associated with large school plants.

It also appears that the Edson School Division is deliberately attempting to keep Niton and Evansburg schools in poor condition in order to force a decision on this issue (obviously in their favor.) The same situation appears to be happening at Seba Beach School, whose students could be attending the proposed Evansburg School. This is a fairly serious charge but it appears quite apparent if one compares the palatial structures located in Edson and Hinton with the dilapidated wrecks located in the eastern part of the Division.

One additional problem cannot be ignored - the high cost of education. The mill rate has soared so high in the last few years due to Westend building projects that people in this Division have reached the point of refusing to pay their taxes. It seems strange that money is going into the construction of new schools when older schools like Evansburg and Niton have not been completely paid for yet and where there will be over a dozen empty classrooms which could be used for teaching purposes, but will be vacant due to the closure of old schools. What a waste of taxpayers' money. It also appears odd that the new composite high school in Edson has only 320 students when it was built to accommodate 500 students. This new school is luxuriously furnished, but the demand for equal or even less than equal facilities at Niton receives no response from the Board.

What is the solution? Rather than build a new school at Evansburg why not upgrade the existing facilities at Niton and Evansburg? This we feel would be far more beneficial and far less costly. An example of this would be the hiring of travelling shop and home economics teachers to serve the Evansburg and Niton schools. This is far better that erecting a 1.5 million "white elephant".

I think that the values in our society need some serious realignment. Size is not necessarily synonymous with quality. We, in Niton, have been operating a fairly efficient and effective school in a favourable learning environment. Why should this be sacrificed? Maybe the students do not have all the opportunities that are available in a larger school but we feel that a rural area can compensate for that by providing a better learning environment minus the discipline problems, drugs, and assembly line teaching, that are so characteristic of larger factory-type schools.

Large centers like Edmonton and Calgary are continuously swallowing up our rural population and producing the usual urban problems of pollution, housing, transportation, crime, and urban strife. We in Alberta are intent on duplicating all the mistakes made in the United States during the past thirty years. The trend today in the United States is to decentralize and break-up the large strife-ridden metropolises in order to save society from collapsing on its collective face.

Of course a government dedicated to the ulcerous enlargement of our cities is not going to listen to one small area whose values run counter to the mainstream of society. Nevertheless, we at Niton must make a united stand, unfortunately we do not have the money or persuasive powers or other elements of society but we do have a cause, a cause worth struggling for in our desire to preserve some basic element of rural democracy.

John Van Kronin

EDITORIAL COMMENT

Junior Citizen Awards

Time is running out quickly for submission of names in Calgary Power's Junior Citizen award program. The deadline for receipt of names is Thursday, July 31st.

Young people may qualify for the award by any act of good citizenship. If you know of any young person who you feel worthy of recognition submit his name to this newspaper as soon as possible.

This year's winners, as well as receiving certificates and awards, will be guests of Calgary Power at a luncheon meeting at the Alberta Weekly Newspaper Association convention. They will receive awards from Lieutenant Governor Grant MacEwan and will tour the Legislative Buildings with Premier Strom after the luncheon.

Letters Welcomed, But . . .

The editor of this newspaper still receives on occasion unsigned letters which the writers apparently expect to see printed as "Letters to the Editor".

Under no circumstances will we print unsigned material. A pen name may be used in the paper but the writer's signature must appear on the copy. Writer's names are kept in confidence.

We welcome your comments. But please sign the letter and indicate the "nom de plume" you wish used. Unsigned letters get no further than the waste basket.

A pleasant sight being enjoyed these days by many people from town and area vacationing in British Columbia, are the orchards, like the one here at Vernon.

Summary Regular County Meeting

Cont. from Page 2

Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors, Roy Lent, George Mann and Ivan Vowk present.

Mr. Kent Craig, Assistant Public Works Manager was present at the meeting to discuss with the Council gravel crushing operation and other public works.

It was agreed that Councillors Miller and Lent and the Assistant Public Works Manager be appointed as a Committee to negotiate for right-of-way for widening of the road between sections 3 and 4 and 9 and 10-52-2-5.

PRELIMINARY AGREEMENTS

Preliminary agreements were a approved as follows: Borrow pit in the NE 31-53-6-5 with compensation of $75.00 per acre; crop damage to be determined; fence to be removed and replaced and topsoil to be removed and replaced.

Backsloping of the south side of the SW 6-54-6-5 with crop damage of $155.00 per acre.

Borrow pit in the NE 23-51-27-4 with compensation of $50.00 a as payment in full and topsoil to be removed and replaced.

Borrow pit in the SE 25-51-27-4 with compensation of $100.00 per acre or provision of a dugout for stock watering.

Borrow pit in the SE 28-53-3-5 with compensation of $75.00 per acre for pasture land and $100.00 per acre for crop land; the fence to be removed and replaced where necessary and the topsoil to be removed and replaced.

Councillor Robert A. Bailey was in attendance for the afternoon session.

Request for payment of $200.00 in lieu of replacing the fence on the west and north sides of the SW 12-51-25-4 was received from Mr. H. L. Hennig of R.R. 5, Edmonton and approved.

Letter dated June 20th, 1969 from the Town of Stony Plain was read to the Council requesting an explanation for the large increase in the supplementary school requisition.

It was agreed that the secretary-treasurer reply to the Town.

Request received from the Boy Scouts Association of Canada for permission to put a temporary gate across the road allowance on the east side of the SE 13-53-5-5 to prevent public access to a well in the SE 13-53-5-5.

It was agreed that they be requested to place the gate at the approach to their own property.

Letter dated June 14th, 1969 from Mrs. V.R. Dalton of R.R.1 Duffield was read to the Council requesting allocation of $50.00 for a name plate for the Keephills cemetary.

It was agreed that this expenditure be authorized.

STONY PLAIN MUNICIPAL HOSPITAL BOARD MEMBERSHIP

Notice received that the membership of the Stony Plain Municipal Hospital Board has been rearranged to provide for the following representation: - County of Parkland No. 31, 3 members; Town of Stony Plain 1 member; Village of Spruce Grove, 1 member

It was agreed to accept this arrangement.

Councillor Roy Lent was appointed as the third member representing the County on the Board of the Stony Plain Municipal Hospital District.

It was agreed that Councillor Lent be authorized to arrange for fencing of the Wabamum sewage treatment plant as it is presently hazardous to children and subjected to vandalism.

Complaint of debris in a water well at Rosewood Beach was received from Mrs. L.R. Maksyniuk of Edmonton. Referred to Councillor Mann for inspection

It was agreed that the County pay the cost of installing water and sewer service connections from the main lines to the private property line in the Hamlet of Wabamum.

BERRYMOOR NEWS

Mr. and Mrs. Bob Roberts have left for a trip to B.C. They are accompanying their son and his family.

Mr. and Mrs. Gilbert Martin and Mrs. George Martin have returned from their trip to the United States.

Last Thursday Grades 5,6,7 and 8 from Lindale were treated to a trip to Drayton Valley and to a swim in the pool there.

Last Friday ended the school year. And, students, teachers and bus drivers are all eager to begin their summer vacations.

Mr. Harry Martin from Ontario visited with his numerous relatives in the Berrymoor district over the weekend.

Mr. and Mrs. Jerry Jacobsen and family of Edmonton have been busy fixing up their summer home in the Berrymoor district.

Mr. and Mrs. Gordon Tryon and daughter Tammie were weekend visitors at Breton, Alsike and Berrymoor.

Tennis Club to Hold Draw

The Drayton Valley Tennis Club will be holding its official draw at noon this Saturday at the local courts. Members with ticktickets still outstanding are asked to turn them in to Fr. Lynch or Mrs. Marion Neil before that time. First prize is a tennis racket or $25.00 cash while three tennis balls will be given as a second prize.

Massey-Ferguson
MF 36 Swather

We challenge you to find another 16-foot swather that gives you as much for your money.

Check this MF 36 Swather against other swathers and you'll find Massey-Ferguson gives you decided advantages. First, you get a big 53-hp **liquid cooled** engine including anti-freeze—a feature that the "bargain" swathers don't offer. With this more dependable power, you get easy starting, longer engine life and quiet vibration-free operation. Heavier, stronger construction is obvious throughout the machine.

We challenge any machine to lay down a neater row of grain or hay at a faster clip than you'll get with this nimble Massey-Ferguson MF 36. We don't think you can find a better swather for the money—and there are liberal trades—terms too, if you wish.

PREPARE FOR PROJECT HAILSTOP

The main breeding ground for hailstorms in Alberta is along the foothills from south of Hinton to west of Calgary. Storms can, and do, develop elsewhere in the Province, but most frequently it is the area west of Rocky Mountain House that produces the conditions necessary for hailstorm formation with the greatest regularity. Because of this, the Alberta Hail Studies Project has set up a special observing station in the Rocky Mountain House area.

The Department of Transport Meteorological Branch has installed a temporary radiosonds station. Weather balloons will be sent up twice daily, in the early morning and late afternoon, on a routine basis until the beginning of September. On days when storms are expected, an additional ascent will be made just before noon as the clouds are beginning to form to the west over the foothills.

The balloons, which go up to heights of 20 miles or more, transmit the temperature, pressure, and humidity to the ground receiving station. Also by following the balloon with a special tracking antenna, it is possible to calculate the winds up to great heights.

A weather station has been set up and special equipment installed to collect precipitation samples for later analysis. An ice nucleus counter is also operated, and continuously records the number of nuclei in the atmosphere which are important to start the freezing processes in the clouds. An all-sky camera with a fish-eye lens takes a photograph of the whole sky every 15 minutes to give a picture of the general sky conditions.

About 15 miles south of Rocky Mountain House three farmers have allowed special movie camera equipment to be set up in the corner of a field at places about 3 miles apart. The cameras will be used to record in time lapse on 16 mm film the development of clouds over the foothills, and their behavior as they grow into storms and move out over the plains.

Finally scientists from the Saskatchewan Research Council have set up equipment at the airstrip, and further west near Horburg, to measure the electric field and the lightning discharges associated with the storms.

The new station at Rocky Mountain House is an important extension westwards of the observing facilities of the Alberta Hail Studies Project. It will be particularly important in July for gathering data upwind of storms prior to their being seeded during the Project Hailstop experiments.

"It's just a suggestion, gentlemen," said the Chairman of the Board, "But let's not forget who is making it."

Y.E.S. SEEKS JOBS

The response to the Youth Employment Service has been fantastic. Qualified persons are ready to work in nearly any field. All that is needed now is your support, and a few more jobs.

Clean your basements, cut your lawns, weed your gardens, paint your fences; and ask for extra help at any of your YES offices

Remember. We need one job for one student from every homeowner, property owner, businessman and organization in the county.

Another great idea in the art of self defence

Datsun 1600 is the safest economy car you can buy. It's the best idea in the art of self defence since judo and karate!

Choose from three models: a sporty 2-door sedan, deluxe 4-door sedan or wagon. All Datsun 1600s have strong unitized construction bodies with specially designed impact-absorbing panels to protect passengers. The doors have burst-proof locks. The engine is up front to give extra protection and there are many other safety features including disc brakes and a collapsible steering column.

The sedans have an all-independent, deep-coil suspension system that makes them amazingly nimble, gives a smooth, level ride over the roughest roads, and ease of handling.

In its price class, only Datsun 1600 gives you a 96 hp overhead cam engine that's good for 100 mph and 30-35 miles per gallon economy.

It has an all synchro 4-on-the-floor or optional 3-speed automatic.

In the comfort department you get "windows up" fresh air ventilation, a big heater/defroster, contoured bucket seats and many other no-cost extras.

Datsuns are great value for the money and they are backed by a network of more than 160 Datsun dealers coast-to-coast in Canada and over $1,000,000 in parts.

Test drive the new Datsun 1600 at your local dealer soon—and practice self defence!

DATSUN 1600

the more-for-your-money car from $2175

"Well now you know what a pop fly is!"

EVANSBURG NEWS

A few recent showers have helped the crops to a certain extent, but much more rain seems to be needed in this area.

On Thursday, June 26th the District Boy Scout Council held its regular monthly meeting in the Evansburg Fire Hall. Points about the recent Scout Camporee and Cubaree were brought out and ways to improve both these events were discussed. This group of people will not hold meetings during the summer months but will resume regular meetings early in September.

A miscellaneous bridal shower was held recently in the Legion Hall basement for Mrs. John Hall, nee Elaine Lewiski. Elaine was the recepient of many useful gifts for which she thanked the hostesses. The hall was prettily decorated and a good crowd turned out for the event.

The Happy Hour Bible Club held its final programme of the season on Friday, June 27th. This took place in the Entwistle Hall and quite a few people came to hear the children sing the songs they had learned and see the articles, the handicrafts the class had made. Several presentations to various deserving members were made.

On Saturday, June 28th, the gymkhana club sponsored a parade and jackpot gymkhana in Evansburg. The following were winners in the parade: Business Float - Marshall Wells; Decorative Float - Pembina-Lobstick 4-H Clubs; Comic Entry - Ted Stephans and his Donkeys; Best dressed couple - Beth Tucker and Ted Bruner; Best Western dress - Dennis Johnson. Not too many people bothered with floats this year which is a pity as I think almost everyone loves to go watch a parade and see the various businesses represented. The parade was preceded by a pancake breakfast, also sponsored by the gymkhana club.

Visiting at our home over the weekend were Mr. John O'Neil, Mr. Edward O'Neil, Pat O'Neil, Margaret O'Neil and Dailene O'Neil, all from Hixon, B.C.

Margaret and Edward O'Neil are my sister and brother-in-law and Dailene is my little neice. This was the first time in Alberta for the younger members of the O'Neil family and they did find it quite a change from the lumbering area of B.C.

The Volunteer Firemen held a picnic and barbeque at the Pembina park on Sunday, June 29th. Most of the firemen and their families turned out to have barbequed steak and whatever else they fancied. There was plenty of ice-cream for the children as well as races with everyone winning a prize, tugs of war and horseshoe games. Everyone had a very enjoyable time visiting and participating in the various fun games.

Mrs. Geaves has gone visiting in Calgary for several weeks and reports she is having a good time.

The local Credit Union group held its meeting recently to appoint some one to look after the books during the time Mr. F. Schroder is gone to Europe for his holidays. For the first few days, Mr. Bruner was appointed and for the second part of Mr. Schroder's absence, Mrs. Keast will be in charge.

Also leaving on holidays recently were Mr. and Mrs. J. Udchitz and Mr. and Mrs. W. Brenenstuhl.

Agricultural Board Meets

Minutes of the meeting of the Agricultural Committee, County of Parkland No. 31, held in the County Office, Stony Plain, Alberta, on Friday, June 27th.

Members present were Chairman Mr. George Mann, Messrs. Robert A. Bailey, Les Miller, Rudolph Zander and Ivan Vowk, District Agriculturalist Earl Lowe, Agricultural Fieldman Wm. Moelhoff and George Moroz and Secretary Len Webber.

ROADSIDE SPRAYING

Councillors were to advise Mr. Moelhoff by June 15th, which roadsides are to be sprayed in their respective divisions. Since these reports have not been received it was agreed to extend the time to July 10th.

Reservations for the Agricultural Fieldman and Chairman to attend the Provincial Weed Tour at Lethbridge on July 10th and 11th, have been made.

It was moved and carried that the Agricultural Fieldman have authority to contact different Landscapers in the area to obtain a price to complete the seeding of the lawns on the office grounds.

The Agricultural Fieldman's report of activities since the last meeting was read and accepted.

ROADSIDE MOWER

Information was received on a Reeder 7 feet rotary mower from J. Reeder Mfg., Picture Butte, Alberta.

It was moved and carried that the Agricultural Fieldman obtain specifications and cost of building this type of roadside mower.

The problem of weed control on small holdings was discussed.

It was moved and carried that a tractor and mower be hired for weed control purposes for this year.

OFFICE DAYS
DRAYTON VALLEY

It was moved and carried that the Agricultural Fieldman have regular office hours at Drayton Valley every Tuesday during the months of July and August.

Letter was read from Mr. George Moroz asking that his resignation from the position of assistant Agricultural Fieldman be accepted for the reason that his farming enterprise conflicts with his work.

It was moved and carried that Mr. Moroz's resignation be accepted with regret.

CATTLE RUSTLING

It was moved and carried that Mr. Bailey meet with the Attorney General's Department with a view to increasing the minimum penalty for cattle rustling as the Board feels a mandatory jail sentence would be a better deterrent.

Rotary President Bob Mayhew (R) and Figure Skating Club President Mrs. Gwen Simpson are shown here admiring the cheque representing proceeds of the annual ice carnival held late last winter. Looking on at left are Carnival Queen Joyce Rendflesh and the Rotary Club's Carnival Committee Chairman Howard Janzen.

CARNIVAL WORKERS FETED

The Drayton Valley Rotary Club hosted a dinner meeting in the Cardium Room last Thursday evening honouring members of the community who played a part in making last winter's Ice Carnival an outstanding success.

The carnival is sponsored annually by the Drayton Valley Figure Skating Club and the Rotary Club. Profits of the venture are shared by the two clubs with the Rotary portion deposited in an account for the operation of the Scout Hall and the figure skaters for operation of the club.

Mrs. Gwen Simpson, President of the Figure Skating Club, accepted a cheque on behalf of the club as did Bob Mayhew for the Rotary Club.

Following dinner a discussion involving all present covered the subject of the Carnival and possible ways of improving future presentations.

Recreation Ramblings

By SYD MOORE

Things are happening in Parkland and the rest of the province knows it and are very interested in having their areas take the same course.

Recreation is a community undertaking, and Parkland is showing the way by building facilities, providing programs, and stabilizing their communities with recreation associations and boards.

A recent editorial broadcast by Bruce Hogle, CFRN radio, Edmonton, giving our area a plug, and a deserving one. Spruce Grove is undertaking a project of which our city cousins should be envious. Here is that editorial:

"Citizens of Edmonton will have to tip their hats today to the neighboring community of Spruce Grove.

Their approach toward making better use of our educational facilities could and should set the trend for the province.

Saturday saw the sod turning at Spruce Grove for the new multi-use school and community centre. The completed structure will be used as a school from 6 a.m. to 6 p.m. and after that it will be used for all kinds of community activities.

The basic and justifiable complaint heard across this Dominion is that our educational facilities are not used to capacity. Since year-round semester systems for all schools are still some time off this means that all of us should watch the Spruce Grove experiment with more than passing interest.

Spruce Grove residents have raised forty thousand dollars toward the building...indication that they have faith in this unique approach to educational and recreational needs of a community.

The Edmonton Public and Separate School systems have millions of dollars invested in physical facilities. In the field of education, all are used extensively. But in the area of serving the community, most schools have a dismal record of failure"

I hope that Spruce Grove's achievement will produce similar happenings throughout the Parkland region.

Swim Program - July 7th
Playgrounds Open - July 9th
Day Camps - July 14th

NOTE: Hockey Players - Drayton Valley is hosting a hockey school from August 25th to August 31st. Clare Drake is the head coach and is an excellent choice. I feel he is about the best in Canada. For further information, contact the Parkland Regional Recreation Office.

THE WESTERN REVIEW

Drayton Valley, Alberta

July 9, 1969

Mr. and Mrs. James Bickerstaff have a lovely baby boy, born July 1st, names Kevin John and weighed in at 6 lbs., 12 ozs. A little brother for Sharon.

Mr. Dale Roberts, his wife Linda and son Todd of Chilliwack B.C. visited with the formers grandparents, Mr. and Mrs. Roberts at the weekend.

July 1st was a lovely day for their sports here. There was a dandy parade, which was led by Constable M. Walker of the Provincial Police, followed by an Edmonton Girls band, then the dignitaries of the district.

There were some lovely floats, the usual clowns, bicycles all decorated up and Patty Stafford on her horse.

Winners in the parade were 1st Steve Anderson with his go-cart, 2nd Alberta Coal and third Walter Mastaller. Mr. C. Schienbein was the winner of the lovely boat and trailer. Through the afternoon there were many ball games and bingo. In the evening there was a wonderful display of fireworks. The day wound up with a dance and the crowning of the Queen. Miss Laurie Sarich was the lucky girl and she made a beautiful queen. Congratulations Laurie.

Mr. and Mrs. D. McCullough and son David of Edmonton were Sunday visitors at Mrs. McCullough's parents, Mr. and Mrs. Roberts.

Mrs. Goyan's mother Mrs. Miskohuz is home after spending some time in the hospital with pneumonia. We hope you will soon be stronger Mrs. Miskohuz.

Mr. and Mrs. Watt spent last Sunday with their daughter Fiona in Red Deer.

Mr. Joe Zarowny is coming along, but slowly. He is still in the hospital but is able to get around with a cane. We hope tha he will soon be able to come home.

Marcy Sarich is helping her grandmother Mrs. Kent at Camp Keewatin again this summer.

Mr. and Mrs. Venne have moved into the village. A hearty welcome goes out to them at this time.

Mr. and Mrs. Bill Matula had several visitors on July 1st to help them enjoy our sports day.

Mr. and Mrs. R. T. Ward have returned home from Saskatoon. On their way home they stopped at the Diefenbaker Lake and at the Gardner Dam. Then spent one night at Rimbey with their daughter and family, Mr. and Mrs. Larry Burke.

The Playschool children had a great day last Friday when they visited the Storyland Valley Zoo.

Mr. and Mrs. R. Hanlan of Westlock were visitors last week at the Roberts home.

Sign in the window of marriage license office - Out to lunch ....think it over!

NOTICE OF TENDER

The Village of Entwistle will be accepting tenders for the construction of a concrete ramp to the Fire Hall, approximately 24' x 38' in size.

The existing fill to be removed and replaced by 4 inches of crushed gravel, tamped, and 6 inches of 3000 lbs. per square inch concrete reinforced with 6 guage 6" x 6" mesh wire.

The slab to be laid in three sections, requiring two pourings.

Submissions shall be marked "Tender" and shall be mailed to, or left at the Village office, Entwistle, no later than 5:00 o' clock p.m. Friday July 25th, 1969.

The lowest or any tender not necessarily accepted.

(Mrs.) A. Burke,
Secretary Treasurer,
Village of Entwistle.

Real Property Assessment and Taxation

Submissions are invited for consideration by a Special Committee of the Legislature established to review and report upon recommendations and representations dealing with the following matters:

1. real property assessment and taxation
2. assessment equalization
3. requisitions upon municipalities for school foundation and hospital tax levies.

Ten typewritten, double spaced copies of each submission are requested not later than SEPTEMBER 26, 1969.

Following receipt of all submissions, public hearings will be conducted, commencing October 14th and terminating on October 24th.

Submissions and related correspondence should be addressed to:

The Secretary,
Assessment and Taxation Committee
313, Legislative Building,
Edmonton 6, Alberta.

Ralph Brown
Chairman

Jack Pickett, representing the Retail Merchants Association, is shown here presenting Mrs. Esther Davidson with the Clerk of the Month Award for June. Looking on are R. Keldsen (L) owner of Valley Drug and Ken Retallack of the Merchants Association.

Sekura Auctions Price Summary

There were a larger number of stock cows and calves on offer this week along with the feeder cattle. The market held strong with medium feeder steers trading from 30.00 to 37.00 with light ones higher.

Heifers sold from 25.00 to 36.00 depending on weight and quality.

Medium butcher cows sold from from 17.00 to 21.00 per hundred.

Bulls traded from 22.50 to 24.30.

Stock cows and calves sold to a high of $280.00.

Baby calves sold from 55.00 to 80.00 per head with one package of bull calves going to the W. Johnson ranch at Buck Creek for $95.00 per head.

Weaners sold from 13.25 to 19.75 per head.

Bred gilts and sows traded from 57.50 to 112.50.

In 1966, the last census year, Canadian farm operators contributed 23,000,000 days of work to non-farm industries.

W.I. Girls Visit Olds

Four members of the Drayton Valley W.I. Girls' Club are enjoying a visit to the Olds School of Agriculture this week along with about 300 others from all parts of the province.

The girls, who won the trip by endeavor during the past year, are Iona Duperron, Denise Wedman, Judy Gustafson and Doris Gustafson. They left on Monday accompanied by their leader Mrs. Olga Brown, and will return home Thursday.

MAGNOLIA NEWS

To most folks, the rain this weekend was very welcome but more is still needed as the soil was, and relatively speaking still is, very dry.

Folks will be very pleased to hear that Mr. William Anderson seems to be progressing favourably after his operation.

It would seem that the ball team is back in form, as they defeated Onoway by a score of 28 to 16. This game was played on June 29th in Onoway.

Miss Judy Reich enjoyed a fleeting trip to Penticton, B.C. during the past weekend.

Eric and Zeena Anderson of Edmonton were out for a short visit with August and Mary Reich on Sunday afternoon.

Birthday greetings go to Clive Hampton who turned eleven on the 30th of June. Happy birthday Clive, from all your friends.

Miss Pat Saretsky left on Friday by bus to spend the summer holiday with Bob and Kathy Saretsky at Fort McMurray.

During the past weekend, Mr. and Mrs. Saretsky attended a family reunion in Edmonton and a Picnic in the Kinsmen Park. Two of his sisters came from Regina to attend the gathering.

Orris and Dorothy McWillis took a short holiday from Thursday till Monday night. They attended the wedding of Dorothy's sister Ivy in Cardston and then made their homeward journey by way of Cranbrook, Radium and Jasper. They report heavy to excessive rain where they drove.

Betty Strangway took her sons to Stettler to enjoy the Stettler Stampede over the weekend.

Congratulations to Julie and Red Wildman who celebrated their first wedding anniversary on June 29th.

Mr. and Mrs. Dick Anderson have three young folks spending the summer holiday with them. They are Doug Garside, a nephew, of California, and Brenda and Kenny Anderson of Edmonton.

Nora McCracken accompanied Bob to Worsley for a week, as he with twelve more men were busy moving several houses from Worsley to Valleyview. Nora reports heavy rain while they were up North. When Bob and Nora arrived home Saturday night, they were pleased to see Pat, Terry and Bobby Brydges.

Friday June 28th was Graduation day at Olds Agricultural and Vocational College, so Walter and Mabel Campbell drove down to see their son Gene presented with his diploma

Irene Saretsky and Shannon Campbell accompanied Shannon's parents to O.A.V.C., as these two young ladies are attending a week of lessons for the Recreational Playground Leadership course at the college.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. T. R. Betton and their family of three children have purchased a home in Drayton Valley and are in the process of getting settled. Mr. Betton will teach science in the Jr. High School.

Mrs. Robb who makes her home with her daughter, Mrs. La Branche, left by air on the weekend for a visit in her native Wales. It is forty three years since she last paid a visit to her homeland.

All good wishes for a happy future go to Mr. and Mrs. Lloyd Matlock, nee Glenda Galloway, whose marriage was solemnized in Drayton Valley last Friday.

A chat with Mrs. Fairlie Dunlop rouses a strong desire in one to hasten to the nearest travel bureau and arrange for passage to New Zealand. Mrs. Dunlop came to Canada six weeks ago to attend the wedding of her son Travis, to Miss Jo-Ann Devey. This week Mrs. Dunlop will begin her return journey with stopovers at Calgary (for the stanpede) Banff, the Okanagan, Vancouver, San Francisco, Los Angeles and Tahiti. It is planned that next year Mr. and Mrs. Travis Dunlop will visit New Zealand.

Mr. and Mrs. Jack Tyler have just returned from a memorable holiday in Britain. Both have relatives there and visits were interspersed with sight seeing in England, Ireland and Scotland. Already the Tylers are saying "The next time we go-----".

Mrs. Kenneth MacKenzie is a "shutter bug" and the coloured slides she took on her recent trip to England and Scotland are lovely. Of special interest is a picture of the white house where the father of John, Barbara (Mrs. Law), Miss Margaret MacKenzie and Isobelle (Mrs. Schurman) was born. The house is still owned by a cousin.

Mr. and Mrs. Harry Zolmer send greetings to all their friends in Drayton Valley. On June 27 they were on the point of leaving Quebec City for New Brunswick. The Zolmers have become enthusiastic "trailer travellers" and feel themselves fortunate to have found fully serviced trailer parking in scenic spots on the shores of Lake Huron, Lake Ontario and the St. Lawrence River.

Mrs. Zolmer's letter referred to several former Drayton Valley residents, all of whom wished to be remembered to the folks here. In Winnipeg there were Betty and Jack Mosdell and the Reverend Jim Strachan whose service the Zolmers attended in St. Augustine United. The Strachans were in the process of packing to leave for Kansas where Mr. Strachan is to take a year's post graduate study in psychology. The Jim Cunnins are still in Dryden, Ont. where Jim is the manager of the Royal Bank. Rev. and Mrs. Sayers are in Toronto. Their family numbers four now. Rev. Sayers is in charge of St. Luke's United. Also in Toronto are Rev. and Mrs. Albion Wright. Mr. Wright works at the Head Office of the United Church.

The Zolmers expect to be gone three months and to settle in Edmonton upon their return.

KEEPHILLS NEWS

Mrs. Katie Teague, her son Elmer and family of Edmonton, and former residents of Keephills visited in the district on June 27th.

Keephills Athletic Association held its annual picnic at the Hall grounds June 27. Great excitement for the school children was when they were signaled from the school to come for their report cards. The day was lovely and a good sized crowd attended.

Several from this area attended the Sunday School Picnic in the Duffield area on Saturday, June 28th.

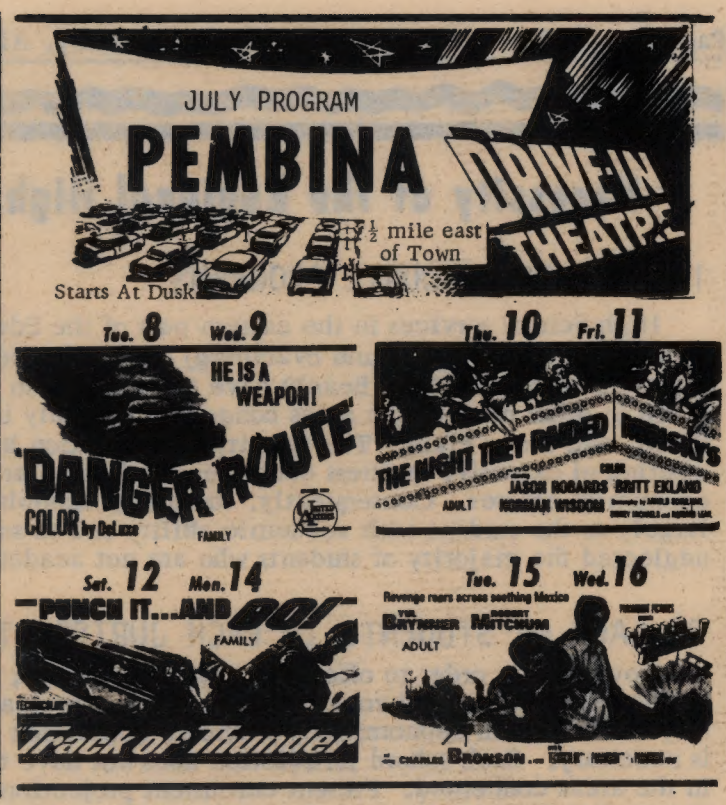
Several from this area attended the wedding of Brian Heap at Bon Accord on Saturday, June 28.

Congratulations to Mr. and Mrs. D. MacDougall who celebrated their anniversary July 1st and Nora Dombrosky who celebrated her birthday on July 6th.

A Golden Anniversary was held at the Keephills Hall on June 28th for Mr. and Mrs. Albert Gaschnitz. An enjoyable evening for the families and other old timers of the district.

Michael and Melodie Edge spent a few days in Edmonton with cousins Curtis and Coleen Raymond. The Edge family also had visitors from Calgary, Mels Sister Fran and family.

Spanking makes the child smart.



7¾%*

Our second biggest interest.

Our biggest interest is you.

Our biggest interest is never paid. We give it away for free. Because it's the kind of interest you can't measure in percentage points. The interest we take in you when you ask our help with your problems.

Of course we pay high interest on your savings, just like any bank. That's only natural. And the longer you leave your money, the more interest you get. That follows too.

When you think about it though, a bank should give you both kinds of interest. The Royal Bank does. Come in and see.

*This rate applies for term deposits of over two years. Equally, you can earn maximum bank rates on term deposits for shorter periods. Ask, too, about our Bonus Savings Accounts and our Regular (chequable) Savings Accounts at any branch of the Royal Bank.

We like to look after you at the ROYAL BANK

Necessity of the Regional High School

1) LACK OF ADEQUATE PROGRAMS

High School services in the eastern part of the Edson School Division (Niton, Wildwood, and Evansburg) and in the western part of the County of Parkland (Seba Beach) have not been up to the standard provided in other parts of the areas concerned, namely in Hinton, Edson, and Stony Plain. The sparsity of population has prevented the offering of extensive business education, industrial arts, and home economics courses. Consequently, these high schools have catered largely to the student with academic ability and to some extent has neglected the majority of students who are not academically-talented.

2) LACK OF STUDENTS IN EACH JURISDICTION

However, in order to offer a variety of programs; matriculation, business education, and vocational preparation programs, and still stay within reason economically a student population of at least 300 is necessary. Each school jurisdiction does not have this many students in the areas concerned. Present enrolment projections; however, indicate that the combined pupil enrolments from the two areas will be 336 in 1969, 414 in 1970, 459 in 1971, and 459 in 1972. There is every reason, then, to believe that sufficient students will be available in the attendance area so that our high school students will receive a more comprehensive program in the proposed high school.

3) INADEQUACIES OF PRESENT BUILDINGS

Furthermore, the present school buildings are very inadequate. The high school at Evansburg is extremely over crowded. Classes must meet on the stage and in the hallway. There are inadequate library and science facilities, no industrial arts and home economics facilities, and much of the building is not serviceable. At Seba Beach in the County of Parkland the industrial arts, home economics and science facilities are too small and inadequate for present day programs. The library is crowded and there are no auxillary spaces for drama, art or music. In addition, if the high school students were in a new building, there would be room for the grades three to six pupils. At present, these pupils are in a very old and totally inadequate building known as the "lower school". This school must be replaced in the very near future. Each school jurisdiction can replace the existing buildings by themselves, but there would still be insufficient students to provide a variety of high school programs to meet the needs and interests of all students.

Formation of the Regional High School District

The Edson-Stony Regional High School District was formed to provide high school services for the eastern end of the Edson School Division and the western portion of the County of Parkland (formerly the Stony Plain School Division). Both of these areas are sparsely populated and co-operation was necessary to obtain a sufficient number of students to offer a high school program that would meet the needs of more than the academically-talented student. For the purposes of establishing a regional high school district the Edson School Division and the Stony Plain School Division signed agreements in January, 1968.

ATTENDANCE AREA

The attendance area of the regional high school district includes "All those lands presently situated within the boundaries of the Edson School Division east of a line drawn north and south along the west boundary of Range Twelve (12) and all those lands presently situated within the boundaries of the Stony Plain School Division west of a line drawn north and south through the centre of Range Three (3) and north of a line drawn east and west between Township Fifty (50) and Fifty-one (51)."

REGIONAL BOARD

The Regional Board is an appointed body consisting of:

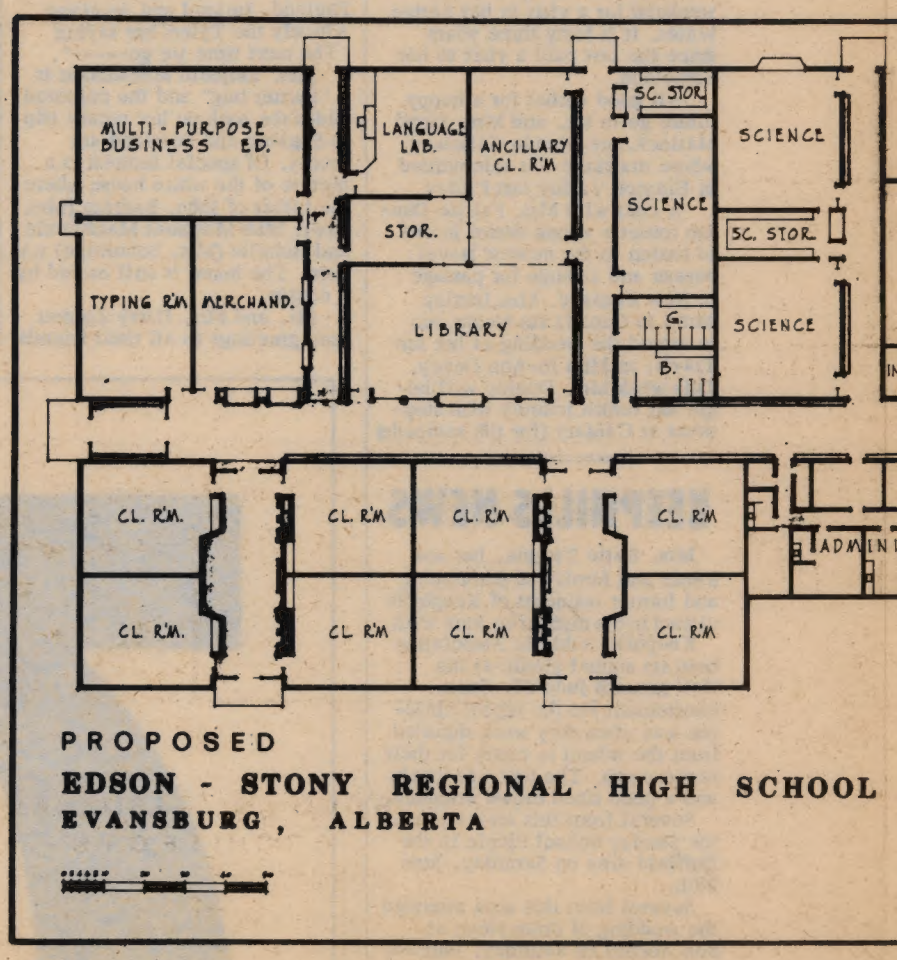
a) two trustees appointed by the Edson School Division
b) two trustees appointed by the County of Parkland

Location of the High School

Since the Regional High School Board did not wish to become involved in local politics in selecting a site for the school, an independent committee appointed by the Minister decided upon the location at Evansburg. While several factors were considered by the committee in deciding upon a site, the primary consideration was locating the school in the population centre of the attendance area. This is to be preferred over the geographic centre since it means that a few rather than a large number of students have to travel long distances on buses

PROPOSED EDSON-STONY

THE PLEBISCITE ON BYLAW 2 - 1969 FO[R] THE SCHOOL AT EVANSBURG WILL BE HELD ON JULY 24, [1] THE PURPOSE OF THIS ARTICLE IS TO PROVIDE PROP[ER] THE PROPOSED HIGH SCHOOL.



PROPOSED
EDSON - STONY REGIONAL HIGH SCHOOL
EVANSBURG, ALBERTA

FACILITIES OF THE PROPO

In order to provide the facilities necessary to offer adequate programs in academic, business, and preparation for vocational education, the School Buildings Board has given recognition of need of the following:

(a) 8 general classrooms
(b) 3 science experience classroooms
(c) 2 science preparation rooms with storage facilities
(d) 3 ancillary rooms
(e) 1 language laboratory
(f) 1 library
(g) 1 - 2 station Home Economics room
(h) 1 - 2 station Industrial Arts room
(i) 1 Gymnasium area with storage room, stage, physical education office,

PROGRAMS T

For too many years now we have been giving lip service to our ing that the door was open for all students who were able and wish rance. Such a program meets the needs of only 25 to 30% of our h for those who are able to pursue a university program, but at the s ing the full potential of those students whose educational goals do students. If we are to lower our drop-out rate in high school, we capable of arousing and holding their interest and participation. and industrial world.

(m) 1 Multi-purpose room
(n) 1 Infirmary
(o) Staff room, staff work room and staff lavatories
(p) Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within limitations set forth in the Regulations under the School Buildings Act.

TO BE OFFERED

philosophy "education for all". This has been interpreted as meaned to attempt to narrow academic program leading to university enthigh school students. Our schools should continue to offer this program ame time, we require other programs which are capable of develop- not include university graduation. This includes about 75% of our must provide these students with programs and experiences which are These programs must also prepare students for entry into the business

(continued at top right corner of page)

LOCAL MEETINGS AT WHICH FURTHER INFORMATION
EXPLANATIONS WILL BE GIVEN

MORE SPECIFICALLY, THE EDSON-STONY REGIONAL HIGH SCHOOL WILL OFFER THE FOLLOWING PROGRAMS:

1) Three or four year diploma program with a business education major. Students taking this program will be prepared for employment following graduation. Courses will include typing, shorthand, bookkeeping, business fundamentals, merchandising, office practice, business machines, et cetra.
2) Two, three, or four year vocational preparational programs designed to enable students to enter NAIT and SAIT. This program will include exploratory industrial arts courses which will include photography, ceramics, plastics, drafting, welding, machine work, electrical, woodworking and in the home economics area fabrics and dress, foods and nutrition as well as technical courses in mathematics and science.
3) Three or four year matriculation programs designed to prepare students for university entrance.
4) Three or four year general diploma program.

FINANCING

1) CAPITAL EXPENDITURES

A number of misconceptions appear to exist regarding the financing of school construction in the province of Alberta. Construction costs up to $17.00 per square foot are paid by the Foundation Program - the money coming from the general revenue of the province. Thus, if a school is built within the School Buildings Board Regulations, there will be NO direct cost to the taxpayers of Edson School Division and Parkland County. It can be seen; therefore, that schools built under the Foundation Program in other parts of Alberta cost us as much as one built in our jurisditions; since all of the money comes from general provincial revenue.

The Regional High School Board has instructed their architect to make every effort to design a building which can be financed totally from the Foundation Program. Therefore, it is proposed that the total cost of $1,350,000.00 will be paid for by the Foundation Program.

2) OPERATING EXPENDITURES

Prior to the opening of the regional high school, the operational costs will be shared on the basis of enrolment projections for the two school jurisdictions. Since the Edson School Division will have approximately two-thirds (2/3) of the students, they will pay two-thirds (2/3) of the operational costs while the County of Parkland will pay one-third (1/3) since they will have one-third (1/3) of the students.

Predicted enrolments for the two school jurisdictions are as follows:

	1968	1969	1970	1971	1972
Edson School Division	187	233	277	305	291
County of Parkland	94	103	137	154	168

When the school begins operating, costs will be shared on the basis of the actual number of students attending from each jurisdiction.

VOTING

The Board of the Edson-Stony Regional High School District, the School Committees of the County of Parkland, and the Edson School Division Board urge all proprietory electors in both school jurisdictions to get out to vote. Please note that the vote is not restricted to the proprietory electors of the Regional High School District but includes all of the proprietory electors throughout the Edson School Division and the County of Parkland.

This school will provide much needed programs to better meet the needs and interests of all students in the eastern portion of the Edson School Division and western portion of the County of Parkland. Therefore, we ask you to support the building of this school with your vote on July 24th.

For Further Information

Should individuals or groups require additional information about the school, its organization and educational programs, please feel free to contact any of these people --

Members of the Drayton Valley Little Canadians are shown here following their tournament victory at Breton. Back row, left to right, Mike Koebernick, Brian Hagman, Ron Glubs, Lee Hodgson and Frank Swap; Front row, left to right, Allan Moscaluk, Don McRae, Roger Bartek, Brent Hodgson, Captain; Robb LaBranche and Gary Bartek. Missing from the photo are Gary Whelan, Bruce Moltzan, Drayton Carl and Kevin Bolter.

Drayton Team Wins at Breton

The Drayton Valley Little Canadians wound-up a highly successful season by winning the Breton Baseball Tournament held June 29th and July 1st.

The Drayton Valley team chalked up three straight victories to win the first place prize of $35.00. They defeated Thorsby 7 to 3, Warburg 8 to 6 and Calmar 14 to 4 in tournament play.

The team also ended a successful season in the Pembina Oilfield League with a top of the league finish. Other teams in the league were Breton, Calmar, Thorsby and Warburg.

The team, composed of boys in the 10 to 12 age bracket, was coached by Mr. A. R. Baker and Mr. R. P. McDonald.

CARNWOOD NEWS

Congratulations and best wishes from the community to Mr. and Mrs. Vern Malcolm (nee Linda Wollen who were married on June 27. Out of town guests attending the Wollen-Malcolm wedding were: Mr. and Mrs. Wollen, Sr. Fort St. John, B.C.; Mr. and Mrs. Matchen Sr., Drumheller and Mr. and Mrs. H. Matchen, Edmonton.

Visiting at the home of Mr. and Mrs. Jim Saunders recently were Mr. Jerry O'Connor and his mother Mrs. A. O'Connor of Edmonton. Jim had not seen them for a number of years. They also visited with Ted and Blanche Barnett.

Mr. and Mrs. Frank Cox and sons spent July 1st at Lacombe and reported a very enjoyable day.

Get well wishes to Debbie who recently injured her foot. Hope it is on the mend Debbie.

Those attending the Track and Field at Stettler recently were Mr. and Mrs. Mark Hooks, Willie Hooks, Fred Maxwell, Jim Saunders and Arnold Foster. The children brought back 1st, 2nd and 3rd ribbons.

Congratulations to Legion and Auxiliary members on coming 1st in the Adult Class for their float they entered at Breton.

We are glad to report John Veldhouse is now out of hospital and is recuperating at Jim Saunder's home.

Graduation Night at Lindale School saw a number of students receive Scholarship Awards for Grade 8. There were: Leanne Johnson 1st $20.00; Allen Goddard 2nd $15.00; amd Elaine Thankins 3rd $10.00. A trophy was also presented to Allan Goddard by the Bus Drivers for the best behaved student on the bus and in school. Congratulations Allan.

Karen Laughlin came first in Grade 7, Linda Pisehke, second, and Nancy Bijou third. Congratulations to you all and best of luck go with you for next term.

Shelli Barnett has arrived home after a few days with her sister Sharon at Lacombe, Alberta.

Congratulations to Mr. and Mrs. Dave McKittrick who had Bruce Leroy McKittrick arrive at their home recently, 7lbs. 4oz.

Mr. and Mrs. Jack Gwin were recent city visitors.

Many thanks to the Auxiliary and Legion members #205 who helped at the concession booth at the Breton Sports Day.

BURTONSVILLE

Bill Homme of Joffre district visited his parents on Thursday and Friday he also brought his sister Bernice Osbak of St. Francis home again after she visited both Bill and Melvin and family.

On Friday the Osbak family took in the Keephills picnic and visited Bernice's parents in the evening. Their eldest daughter Eleanor is staying at her grandparents and helping Grandma catch up on the house cleaning.

The Free Methodist Sunday School Picnic of Mewasin and Burtonsville combined was held on George and Nellie Henkels farm in Mewasin on Saturday the 28th. A goodly number turned out, some coming from Edmonton.

Rev. D.G. Russell of Red Deer the District Superintendent was in charge of the Sunday evening service here on June 29.

Eldon and Marge Greanya are in the Whitecourt area enjoying a holiday.

Allister Kennedy and his wife and children and Eldon visited Rev. Kennedy here July 1st.

Vera Draves of Edmonton, who spent some time in the hospital, is now visiting her sisters Della Tattersall and Rita Mykituk for a couple of weeks. She also visited at Axel and Emma Hommes on Tuesday.

The long awaited rain came even though we need more this has helped a lot. On July 1st the temperature here was 34 above however nothing in the garden seems to be harmed.

COUNTY OF PARKLAND NO. 31

A NEW SECTION 30a OF THE MUNICIPAL
TAXATION ACT RELATING TO TAXATION OF RECREATIONAL DWELLINGS

The new Section 30a states that if an owner of a single family dwelling certifies to the municipal secretary that

(a) the dwelling has been used and will continue to be used exclusively for holiday or recreational purposes.
(b) the dwelling has not and will not be occupied by the owner or his family for more than one-hundred twenty days in that year and
(c) the owner has not received and will not be in receipt of revenue by way of rental for the use of the dwelling during that year.

the municipal secretary shall enter separately upon the assessment roll for the following year

(a) the total assessed value of land and buildings and
(b) the total assessed value of land plus one-third of the assessed value of buildings.

Taxes for all purposes except the School Foundation Program and the Hospitalization Benefits Plan are to be levied against the total assessed value of land and buildings.

Taxes for the School Foundation Program and the Hospitalization Benefits Plan are to be levied against the total assessed value of land plus one-third of the assessed value of buildings.

For taxation purposes in 1969 the owner must file the prescribed certificate with the municipal secretary on or before July 15th.

For taxation purposes in 1970 the owner must file the prescribed certificate on or before November 15th.

O. W. Schuster,
Secretary-Treasurer.

ENTWISTLE NEWS

On Saturday June 28th, farewell parties were held for Mr. and Mrs. Ed Sanderson and family who are leaving to make their home in Taber and Mr. and Mrs. Don Smith and family who will make their home in Edmonton. The community banded together and held a party and dance for them. The music was donated by Mr. and Mrs. Bill Kochansky and Gordon Powley for which we thank them very much. Bob Dieb acted as Master of Ceremonies and presented gifts to the two couples, and a reply of thanks was given to all present.

Mr. Bill Lundguist visited with his sister Marian Nelson for a few days.

Mr. and Mrs. Art Miller and family were away for a few days to B.C.

Mr. and Mrs. Bob Hoople are also away for a few days holiday and we hope they have enjoyed themselves.

Mrs. Mary Clough was out on the first of July to visit some of her friends. We were all glad to see you Mary and hope you will be back again soon.

Mrs. Maggie Melvan is away to Clearwater, B.C. visiting her family there.

The Entwistle ladies played ball against Drayton Valley on Monday, June 30th, and won their game. Good luck ladies and keep up the good work.

The Entwistle Little Canadians played ball against Seba Beach on June 29th and won the game. They have two more games to play and we hope they will be successful both times.

Georganna Moore, Cindy Rellings, Jacquie Nelson and Kathy Canfield have all gone to the United Church Camp at Surprise Lake. It is hoped that the weather will co-operate and let them have some warm weather.

March Funds Still Uncollected

The total amount of money collected to date in May's "March for Millions" march is $5,500.00. There is still money to be turned in and the march committee asks the responsible marchers to catch their sponsors before vacation time. Your cooperation in this matter is urgently requested.

WHO'S NEW

Week of June 29th to July 5th-

June 30th - Mrs. John Wittenberg (Audrey) of Gainford, girl, 9 lbs. 4½ ozs.

July 2nd - Mrs. Paul Tercier (Theresa), Drayton Valley, boy, 6 lbs. 6½ ozs.

July 2nd - Mrs. George Vlchek (Joanne), Drayton Valley, girl, 7 lbs. 9 ozs.

July 5th - Mrs. Raymond Wieting (Peggy), Drayton Valley, girl, 5 lbs. 1 1/4 ozs.

Fashion Show Held at Seba

The girls who attended home economics classes taught by Mrs. Wichuk in Seba Beach returned during the evening of June 12 to participate in a fashion show. The girls are from Entwistle, Keephills, Tomahawk, Duffield, Wabamun, Gainford and Seba Beach.

The girls made and modelled their own creations under the guidance of Mrs. Wichuk. The clothes ranged from beach wear to lovely formal evening gowns. The models came out wearing their garments and very gracefully walked, pirouetted, and showed off their clothes to an admiring audience of parents and friends. Guided by the able teaching of Mrs. Wichuk, these sixty to seventy young girls showed remarkable poise, grace and modelling and sewing ability.

The Seba Beach grade seven girls served coffee and refreshments to everyone after the show was over. Mrs. Wichuk was presented with a gift by the girls in appreciation of her help through the past year.

Marilyn Langford provided soft background music for the girls during their modelling walk.

MERIDIAN FOUNDATION - STONY PLAIN

INVITATION TO TENDER

Sealed tenders with the words "TENDER FOR FIRE INSURANCE" by the undersigned will be received until 12:00 Noon, July 18, 1969.

SPECIFICATIONS ARE AS FOLLOWS:-

Fire Insurance coverage required on Building and Contents are as follows:

1.	Building (Senior Citizens Home)	$300,000.00
2.	Contents, Equipment, Stock	75,000.00
	Insurance Requirements	
	Co-Insurance Clause 80%	
	Replacement Cost Clause on Building	
	Malicious Damage Clause	
	Extended Coverage Form K66	
3.	Employees, Guests, Personal Effects of Residents, subject to limit of $200.00 any one person	Amount 10,000.00
4.	Boiler and Machinery Policy (Broad Form)	200,000.00 limit per accident
	Object	
	Well McLain Cast Iron Sectional Boiler	
	A.O. Smith Coil Water Heater	
	Hot Water Storage Tank	
	Air Receiver	
5.	Premises, Property and Operations Liability Insurance	200,000.00 Inclusive limit
	Malpractice Liability Insurance	200,000.00 Inclusive limit

The lowest or any tender will not necessarily be accepted.

Mail tenders to the Meridian Foundation, Corporation, Stony Plain Alberta. (Care of Mary V. Norman, Secretary-Treasurer)

Will the biplane (a) get the mail through in time?

Will the express train (**b**) stop before it reaches the missing track? Will the Indians (**c**) attack the stagecoach (**d**)? Or the speeding Hupmobile (**e**)? And that House on the hill (**f**)... What's going on up there?

The Pilsner label raises many exciting questions. But there's never any question about Pilsner Beer. In Lethbridge, it's still made by men who take time to brew and age beer in the traditional way. We're not about to change either: the label or the beer.

House of Lethbridge AFTER THE FAMOUS FORMULA OF **THE HOUSE OF LETHBRIDGE**

THE WESTERN REVIEW

Drayton Valley, Alberta

July 9, 1969

"Fair Time '69" at Seba Beach High School on June 6th climaxed a year of study and work. The photo at the left shows the Biology 20 display and students examining frog dissections. At the right is Mr. K. Thiessen, a member of the teaching staff and "Fair Time '69" organizer.

FAIR TIME '69 -- SEBA BEACH

By Mrs. W. E. Campbell

During the evening of June 6, 1969, a large crowd viewed the climax of a year of study and work on the part of Seba Beach High School staff, particularly Mr. K. Thiessen, and students. This was "Fair Time '69". The Seba Beach auditorium was gaily decorated with draped streamers in shades of pink, blue and white. The carnival air was heightened with brightly colored models of molecules which were suspended from the streamers.

The first thing one noticed after entering the gymnasium was a display of vividly-colored, silver-edged, crepe paper flowers made and arranged by the grade 6 girls.

Immediately adjacent to the flower display was a television camera in action. It was intriguing to watch the activities of the crowd and, at the same time, see them portrayed on the television screen.

Next, one was automatically drawn to a table from which an ear-splitting noise was intermittently produced by a model airplane motor operated by Mr. Thiessen. This motor was situated directly below a large model airplane built and displayed by Mr. Thiessen. The motor and airplane were a big attraction, especially for the gentlemen in the crowd.

On the west side front wall hung a linen bedspread embroidered with roses by Shannon Campbell.

Next, one saw an engrossing, colorful library book dust jacket display, produced by Mrs. Milner and Mrs. May. The tasteful art work was done by Mrs. May. All the book covers made on wish you could be a bookworm.

A table of grade one items of interest captured the attention of many. The works of budding first grade artists adorned the wall immediately behind.

A most colorful display was entered by Marilyn Langford and Helen Wolodko. It consisted of pictures of architectural patterns of buildings from Babylonian days up to the present. Some of the most absorbing included views of Gothic and Romanesque cathedrals in Europe, showing the exquisitely detailed art work.

From highly developed art forms in architecture, one made a quick leap in century and location to an exhibit of Indian artifacts gathered in Alberta by Mr. May. Among the precision-crafted implements of war and the hunt were seen the common objects of house and home of the day - scrapers, digging instruments and knives. Also included in Mr. May's display were rocks of many types gathered in Alberta, slides of interest on the subject, and a number of informative books dealing with archaeology and geology.

A tremendous amount of initiative was shown by Mrs. Thiessen and her grade 3 class in creating their display. Each of the pupils wrote to a minister of either the provincial or the federal cabinet. The letters and pictures of the ministers which they received were tastefully arranged on the south wall. It is worthy of commendation that an elementary class initiated such an advanced project and that the various ministers realized the importance to the children of such an undertaking and cooperated so wholeheartedly.

For the hobby enthusiast, biology student, or just the lover of color and form, the next display was fascinating. Against an undersea background of caves and undulating fronds of sea plants, a number of strikingly colored tropical fish could be seen gliding among stones and plants. This acquarium, displayed by the Biology 20 class, is home to exotic fish from the Amazon River and other tropical waters.

The identification of trees is one subject on which few people profess to be experts. Three girls of the grade 7 class, Myrna Murray, Mary Ekroth and Sandra Campbell, created, not only an unusual wall decoration, but also an informative display with a collection of samples of a variety of twigs, together with information on the identification of the same.

The next group of displays were concerned with Biology. Demonstrations, dissections of frogs, and views of sections of earthworms as seen on slides through microscopes were some of the features.

Some of the newer acquisitions of the school, expertly manipulated by Reg Bruce and Don Congo, comprised the succeeding display. The substances necessary for imbedding specimens in plastic were shown, together with the oven used for setting the plastic. Plastic blocks containing specimens were shown at various stages of finishing and demonstrations were given to illustrate methods of obtaining a smooth, glassy surface on each of the faces of the blocks.

The adventurous sixth graders had gone hunting previous to the Fair. The spoils included a red-winged blackbird nest complete with eggs and numerous specimens of acquatic life.

Human anatomy was illustrated with diagrams and a "visible woman" by Barbara Congo.

Just beside the door were located three picture layouts. Two were composed of candid snaps taken around the school by the Yearbook photographer, Shannon Campbell. The third was a graduation layout for the graduates of 1969.

Circling back to the next row of tables, one encountered a small electric generator. It was a "shocking" display.

Following was a Cloud Chamber apparatus built by Ralph Goertz. In a small plastic box set on dry ice was a piece of radioactive material. When the temperature was lowered sufficiently, fleeting little white lines could be observed. These lines, Ralph explained, were the tracks left by alpha particles, parts of the atom, given off in radioactive decay.

Cecile Fontaine demonstrated the neutralization of a base with an acid. When the equilibrium position was reached, the test reacted neutral for both acid and base.

The centre row of tables was devoted to miscellaneous entries. Included was a display of leaves of native trees and shrubs collected by Colleen Campbell, a collection of rocks and fossils belonging to Victor Byskol, two complete handmade outfits sewn by Roseline Burke, a number of doll's outfits made by Pat Liviniuk, Darlene Kulhawy and Donna Onyschuk and a vividly colored display of three-dimensional shapes built by the Mathematics 9 class. All of the displays were well-presented and attractive.

The outside row of tables had a number of intriguing exhibits. Two tables were devoted to safety equipment, including earmuffs, goggles and various other types of protective devices. These were of great interest to the many farmers concerned about loss of hearing due to riding noisy tractors. An interesting safety film was viewed by many.

Raymond Nobert displayed a collection of native rocks of various types. Also in his display were blocks of polished marble of assorted kinds and colors.

One of the most fascinating displays, a collection of Scandinavian ethnic items, was contributed by Margaret Ulvestad. Included was a piece of embroidery illustrating a complicated Norwegian pattern, a number of painted wooden boxes for various purposes, scrapbooks made of Scandinavian postcards, and two trolls - one made of moss, twigs and cones. It was a very popular display, attesting to the fact that Canadians are interested in what their fellow Canadians do.

Many people spent hours in work and thought preparing the fine display for "Fair Time '69". A major portion of the credit goes to Mr. K. Thiessen, who organized and managed the Fair, contributing greatly to making it the success it was.

Alder Flats News

Sympathy is extended to the Ken Hayduks on the loss of his brother who met with a fatal car accident on Sunday, June 22nd.

Mrs. Karen Rahko and daughter of Rocky Mountain House spent from Sunday to Wednesday at her parents home the OleBergguists.

Mr. and Mrs. Dennis Stuart of Rocky Mountain House were Sunday, June 22nd visitors at the Orville Knights.

The Victor Maciborski's have purchased the Steve Stefura farm less ten acres which the Stefuras will reside on and sold their home quarter to the Gordon Shanks. All parties will be moving shortly.

A beautiful summer day was enjoyed for the school picnic on Friday. The Alder Flats Legion sponsored the children's races and had a refreshment booth on the school grounds. The Grade 5 and 6 boys challenged the ladies to a ball game and won it by a close score.

Gordon Shanks bused the Brownies to Edmonton on Saturday, June 28th to visit the Story Land Valley Zoo.

Mr. and Mrs. Harold Johnson and Denise were supper guests Monday at the Bernard Johnson home at Rimbey.

Mr. Johnny McBurnie of Drayton Valley was a Monday visitor at the Pete Maciborski's.

The Leigh Millers left Saturday, June 28th for a weeks holidays at Waterton Lakes.

The Morris Dunn's are building on living quarters above their store. The Pete Maciborsky's have made an extension on their home. Many others are in the process of building or remodeling their homes.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending July 5, 1969 provided by the Livestock Division, Canada Department of Agriculture

RECEIPTS	CATTLE&CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	4100	3500	600	1400	50
Last week	6255	5308	947	1839	274
Same week 1968	5276	4389	887	1721	186

SUMMARY: Receipts were sharply lower this week due mainly to the Dominion Day holiday breaking up the work week. Replacement classes comprised approximately two-thirds of the total cattle sales. The cattle trade was active with progressive price improvement, particularly on slaughter classes.

SLAUGHTER CATTLE & CALVES

Steers opened the week on a steady basis with only the odd sale over 31.50, however prices improved as the week progressed with steers selling at a practical top of 32.25 in closing trade and the odd choice handyweight selling up to 32.50. Heifers opened 50¢ higher and prices continued to improve with closing prices 1.00 to 1.50 above last week. Butcher cows and bulls met a similar response. Good dry fed cows showed the most strength with prices 2.00 higher, all other cow classes advanced 1.00-1.50. Cows showing grassy condition were discounted. Bulls sold 1.00 higher for the week.

The percentage of feed cattle was considerably higher, with approximately 60% of the slaughter cattle considered eligible for the Canada Choice and Canada Good grades.

Veal calves sold strong with choice light weights selling up to 46.00. Butcher calves sold about steady.

REPLACEMENTS - - Heavy feeder steers sold 1.00 higher, in line with improved slaughter prices. All other steer and heifer classes sold fully steady. Stock calves were not too plentiful, sold at fully steady prices.

SHIPMENTS - - Last weeks shipments -- East 449 for slaughter and 213 for feeding. West 434 for slaughter. To Southern Alberta 1086 feeders.

(Closing Quotations)

SLAUGHTER CATTLE - Steers - choice 31.50 to 32.25 sales to 32.50, good 31 to 31.50, medium 29 to 30.50. Heifers - choice 29 to 29.50, good 28 to 29, medium 26 to 27.50. Cows - good 23 to 23.50 sales higher, medium 21 to 22.50, canners and cutters 17.50 to 19.50, shells 15 to 17. Bulls - good 24.50 tp 26.00, few common 23.50 to 24.00

REPLACEMENT CATTLE & CALVES - Good stock and feeder steers (550-750) 34 to 37.50, good heavy feeder steers (750up) 33 to 35.50, common to medium 26 to 32. Good stock and feeder heifers 27 to 31, common to medium 24 to 28. Stock cows 19 to 25. Good stock steer calves 36 to 45, common to medium 28 to 35. Good stock heifer calves 32 to 36, common to medium 26 to 32.

SLAUGHTER CALVES - Good to choice veal (350 & under) 41 to 46. Good to choice butcher calves (350-450) 31 to 37, (450up) 27 to 30.

HOGS - Base Price: Monday 34.00, Wednesday 34.00, Thursday 33.50 Boars 13.75 per cwt. less discount for thin boars. Sows sold at 13.00 to 19.00 per cwt. liveweight. 683 feeder hogs sold Thursday afternoon at prices ranging from 36 per cwt. for 80# feeders down to 27.00 for heavier weights. Weaner and extra light feeders ranged from 17.00 to 29.50 each.

SHEEP & LAMBS - Good to choice butcher lambs sold steady at 28 per cwt. Sheep 5.00 to 10.00 per cwt.

MOON LAKE NEWS

The wire and parts which were raffled by the Brightwood Cemetery members at the Moon Lake dance, June 28th, was won by Ethel Toderash, 87 Street, 11735 Avenue.

The blanket which was made by the Ladies Club of Moon Lake was won by Albert Schenk. Ruth Mohr won the weaner pig raffled by the Moon Lake 4-H Beef Club.

Tomahawk F.W.U.A. Adjourns to Fall

The Tomahawk F.W.U.A. held its monthly meeting on July 3 at Mary Piskunowicz. Due to the much needed rain there were only 11 members present.

Our main thought was how to make some money and it was decided that on November 29 we will have a tea, bazaar and bake sale. A homemade candy raffle will also be held that same day.

Our treasurer Gloria Jouan finished our F.W.U.A. Meal in a Dish Casserole cookbooks and these were distributed to the members.

Our next meeting will be in the fall.

Parkcourt News

A large number of friends and former neighbors of the Horz family attended the Horz-Little wedding in Edmonton on Saturday. When they returned they found the district had received some much needed rain. Everyone was thankful but more is still needed.

Mr. and Mrs. Sam Sereda and Mr. and Mrs. Johnny Udchitz are now holidaying in B.C.

Mr. Larry Iwaschuk is now working in Fort St. John.

The School children are now enjoying the long awaited holidays. The end of school was celebrated in a variety of ways with hikes, picnics, farewell parties for teachers, book-burning ceremonies and weiner roasts.

Mr. and Mrs. Ed Schmidt spent a few days holidaying in Calgary.

Mr. and Mrs. Bill Erickson of Edmonton and Mr. and Mrs. Roger Law of Bonnyville were visitors at the Brunet home over the weekend.

Mr. and Mrs. Frank Weigle have returned from a trip to California.

She (just engaged): "Did Daddy seem pleased when you told him about the $200 you have saved up?"

Fiance (wistfully): "I think so. He borrowed it."

The bean quessing game was guessed by Jackie Carlson of Edmonton, within seven beans. Congratulations to you all.

Mr. and Mrs. Fred Cherrington are on an extended vacation through the States. They will visit with their daughter in California, Mr. and Mrs. Joe Gangle and family.

Mrs. Clara Bush is happy to have her brother Ray Chambers and sister Gladys visiting with her from the States.

Miss Donna Cherrington has spent one week in Olds taking an instruction course on recreation and now is in Stony Plain for final instruction for several days. Donna will be employed as cashier in Entwistle at the recreational playground for the County of Parkland.

Bernie Town had a unfortunate accident while working on a car. He ended up with a broken arm. Bernie and Oliveen are on holidays now, last we heard they were headed for British Columbia, enjoying the scenery.

Chris Woloszyn is now taking Bernie's place, helping Gary Cherrington with the trucking business.

Mr. and Mrs. Hugh Kapteyn and boys motored to Warspite over the weekend to attend Mrs. Kapteyn's parents Sliver Wedding. They renewed acquaintances with many relatives and friends which they hadn't seen for many years.

Mr. and Mrs. Ralph Tufty motored to Drumheller over the holiday weekend to visit with their daughter, Edna, Mr. and Mrs. Svend Mortenson and family. While there, their other daughter Lil was visiting with the Mortenson's. On the way home Ralph and Laura stopped at the Ponoka Stampede. They report a very nice trip and said the rain was plentiful there.

Mrs. Raymond Tufty and children have returned from a trip to Drumheller where she visited with relatives and friends.

Mrs. Roy Prince and Mrs. Stocknik from Genesee were recent visitors at the home of Mr. and Mrs. Otto Hansen.

Mr. and Mrs. Gary Cherrington have recently returned from an enjoyable holiday in the States. They also visited with Gary's brother, Mr. and Mrs. Les Cherrington and family in Calgary.

The Brightwood Cemetery members had a cleanup and painting bee one day. The crosses got painted and some new land was worked. They said it really looks nice now.

MR. AND MRS. E. L. FEWSTER

Couple Feted on 50th Anniversary

Mr. and Mrs. E.L. Fewster, long time residents of the Berrymoor district celebrated their 50th wedding anniversary on Friday, June 27th. Their friends and neighbors held a party in their honor in the evening at the Berrymoor community centre.

Following a sing song they were presented with a set of dishes, glassware and cutlery; a gift from the community. They also had a lovely three tiered wedding cake, baked by Mrs. Hattie Barrett and decorated by Mrs. Florence Johnston.

Their three children, five grand-children and a neice and nephew were present to share in the celebrations.

Mr. and Mrs. Fewster have lived in the Berrymoor district since the early 1930's and are known by all as true friends and good neighbors.

TOMAHAWK NEWS

Mr. and Mrs. Walter Medd of Tomahawk attended the Aurora Arabian Horse Show in Edmonton recently and were very glad they did. They won first prize for their purebred Arabian yearling filly in the Get of Sire Class (group from one Stallion) and a second prize for their part breed filly foal. Is it any wonder they're as prowd as punch.

Miss Terry Pezzot of Tomahawk, (an honor student from grade 11 at Drayton Valley) and two other girls from Drayton Valley, Miss Marilyn Vowk and Miss Cindy Vowk, left on July 1st to attend the Vocational School at Drumheller. Here they will be undertaking an intensive 25 day course in leadership and Recreation. Terry's application for this course was processed and accepted by Alberta's Department of Youth. Quite an honor for Terry and we're all very prowd of her.

Mr. and Mrs. Elia Namchuk, (formerly of Tomahawk now living in Edmonton) are holding their golden wedding anniversary on Saturday July 5th at the Bonaventure Motor Hotel. Visitors here for this wonderful occasion are as follows: Mr. and Mrs. Bill Huempsmer and family from Wausaukwe, Wisconsin; Constable and Mrs. Ron Laurence and and family from Fernie, B.C.; and Mr. and Mrs. Nick Wetowick and family from North Surrey, B.C.

Miss Bernice Martin was feted at a delightful shower, given by Mrs. Eunice Pryor and Mrs. Greta Pryor on Saturday June 28th. There were about 35 ladies present and everyone thoroughly enjoyed themselves. The bride-to-be was ensconced in a beautifully decorated orange arbour, surrounded by her bridesmaids. A very interesting program followed with games, songs etc. Mrs. Margaret Reich supplied the music with her guitar. Bernice received many lovely and useful gifts. A delicious lunch was served by the hostesses, so delicious, that all diets were instantly forgotten. This was one of the nicest showers that I have ever attended and I'm sure all who were present will heartily agree with me.

BUCK CREEK NEWS

Rodney Gailey had the misfortune of breaking his leg while playing on the teeter-totter at the school the other day. He came home from hospital Thursday, July 3rd.

Mrs. Gailey had a bad fall while playing ball in Breton on Tuesday, July 1st. She has a cracked bone in her shoulder.

The wedding of Miss Linda Wollen to Mr. Vern Malcolm took place in Drayton Valley at the United Church on June 26th. They are making their home in Drayton Valley where they are both employed.

Mr. and Mrs. Allan Currie of North Surrey, B.C. spent a few days last week visiting friends in Drayton Valley, Carnwood and Buck Creek.

We are glad to hear that Mr. Foster Simpson is home from hospital and is doing well.

Art Reggenwetter had the misfortune of having a deer jump in front of his car and causing $500. damage.

Mr. Louie Reggenwetter is to be married to Miss Linda Gutray on Saturday, July 5 at Thompson, Manitoba.

Mr. and Mrs. Adolf Smestad spent a few days visiting their daughter and son-in-law in Fort St. John, B.C. They brought their grandchildren back for the holidays.

Mr. Walter Simpson, nephew of Foster Simpson, drove up from Calgary on Thursday to visit with Mr. and Mrs. Simpson.

Please don't forget the clean-up day at the Cemetery on Sunday, July 13th.

Regular Meeting School Committee

Meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Tuesday, June 17. Present were Messrs. R.A. Bailey, George Mann, L.N. Miller, R. Lent, Ivan Vowk, Wm. Barth, Don Gylander and T.W. Johnson School Committee members; also Superintendent of Schools Mr. Henry Toews and Assistant Superintendent Mr. W.G. Wilson and Assistant Secretary-Treasurer A.W. Boychuk.

Moved and carried that, for this year only, bus operators making special trips for tract meets be paid 1/3 of their basic according to the schedule and then for actual mileage travelled.

Moved and carried that the School Bus Committee be instructed to draw up a recommended scale for special trips and present it to the school committee for approval.

Moved and carried that all school pianos be tuned during the latter part of August.

Moved and carried that for the coming year, Pupil Accident Insurance be renewed with Drayden Insurance and Accounting Ltd.

SALARIES FOR SCHOOL SECRETARIES

Moved and carried that Mr. Henry Toews, Mr. W. G. Wilson and A.W. Boychuk be instructed to review the salaries of secretaries to principals and submit a recommendation to the School Committee before September 1st, 1969.

SUPERINTENDENT'S REPORT

Mr. Henry Toews reported to the School Committee on the staff situation in the County. He outlined the teaching vacancies in the County and recommended the appointment of certain teachers, Principals and Vice-Principals to the staff.

Moved and carried that the appointment of the following teachers to staff be approved: Miss Josephine Bailey - Stony Plain; Mr. D. S. Wagstaff - England; Mrs. Patricia Hasse - Red Deer; Mr. Douglas Hall - Yellowknife.

Moved and carried that the appointment of the following administrators be approved: Mr. J.W. Anderson - Principal of the Seba Beach School; Mr. W.D. Brooks - Vice Principal of the Seba Beach School; Mr. H. F. McRobie - Principal of the Duffield School; Mr. Neil W. McDowell - Director of Counselling and Special Education for all schools in the County.

ASSISTANT SUPERINTENDENT'S REPORT

Mr. W. G. Wilson submitted his report to the school committee. He explained that it is necessary to purchase a considerable amount of science equipment to up-date the elementary and junior high school science rooms in accordance with the minimum recommendation of the Department of Education. He recommended that a sum of $7,000. in 1969 and similar amounts in 1970 and 1971 be allocated for this particular purpose.

Moved and carried that the recommendation of Mr. W. G. Wilson in the purchase of science equipment be accepted.

Moved and carried that Mr. Henry Toews, Mr. W. G. Wilson and A.W. Boychuk be instructed to bring in a recommendation for a salary scale for teacher aides.

Moved and carried that a pump out tank for sewage disposal and a heater be installed in the Junior High Industrial Arts Shop in Stony Plain, now being used for an Opportunity Room.

Moved and carried that Mr. Hans Sinning's employment as painter become effective June 16th, 1969 and that his starting salary be $500.00 per month.

Moved and carried that Mr. R. Zander, Mr. E. W. Hillyer and A. W. Boychuk be authorized to open applications and make recommendations as to the appointment of caretakers for the Tomahawk School.

The next School Committee meeting be held on Wednesday, July 2nd.

Moved and carried that A. W. Boychuk be instructed to check the County Insurance Policies as they apply to liability on behalf of the School Committee and the teaching staff.

SCHOOL BUS COMMITTEE REPORT

The School Bus committee presented the following report and recommendations on the Cynthia School Bus Route:

"That after careful study of the Cynthia bus route, the committee recommends that due to the small number of students in the Cynthia area and the distance to the next pick up, that Mr. Gunther Schmidt be instructed to replace the present Cynthia bus No. 515 with a 30 passenger bus before the 1969-1970 school year and that he travel directly from Drayton Valley to the Cynthia area. Any re-arranging of students on to other buses will be made on or before the next school term."

Moved and carried that the foregoing recommendation of the School Bus committee be accepted.

A letter was received from the Department of Education advising that the Lodgepole Consolidated School District No. 80 will be included in the County of Parkland effective July 1, 1969.

Moved and carried that a letter be written to Mr. S. Hodgson, Architect, requesting him to submit a written agreement for the Spruce Grove School between his firm and the School Committee of the County of Parkland.

DISPOSING OF OLD TIRES WITHOUT POLLUTION

Taking into consideration the growing problem of air pollution tire companies are looking for new ways to dispose of tires without creating towering black smoke reports Bus and Truck Transport magazine. It is estimated that more than 100 million tires are scrapped every year.

New disposal methods being tried include off-shore artificial reefs for fish and river bank erosion control.

Researchers have also found that tires melted down in ultra-hot furnaces yield several usable by-products, including natural gas.

LODGEPOLE NEWS

Mrs. Margie Lester and Cheryl Wentland welcome all ladies to a bridal shower for Miss Adelaine Negraiff. It will be held Tuesday evening July 15 at 8:30 at the Wentland south side apartment.

The Colin McIsaac family have returned to live at the Goliad Station No. 8. They have spent the past couple of years in British Columbia.

Recently in Vancouver Vicki the second daughter of Mr. and Mrs. T. Woytowich became the bride of Mr. Chris Martin. They will reside in Vancouver B.C. Mr. and Mrs. N. Stewart have returned home from a three week holiday spent in Kelwood, Manitoba and Saskatoon, Saskatchewan.

Slippery roads caused another truckload of lumber to overturn on the curve west of Violet Grove The driver escaped without serious injury.

The Pembina river rose 9 feet in 24 hours after the heavy rains.

SWIMMING PROGRAM

To date the local swimming program has been very successful. The school swimming program which featured daily instructional sessions for students from the Junior High and St. Anthony's Schools, was completed during the third week of June. This phase of the early season program proved to be very satisfactory to all concerned. The swimming instruction sessions for Tiny Tots have been completed and 21 children completed this course. Attendance at public swimming has been high ever since the pool opened.

As of June 30, a total of 18, 864 swimmers had used the pool this season. Of this number approximately 65% were children under twelve years of age, 23% were students and the other 12% were adults. To date a total of 379 persons have enrolled in the local Red Cross Swim Instruction program. Over and above this figure there are approximately 150 persons who will receive Red Cross Instruction locally through the County of Parkland Swimming Program. Also a group of approximately 45 persons from the Breton district will take swimming lessons at this pool during the next month. This means that we are looking at a total enrollment of approximately 600 persons for swimming instruction this season which is almost a couple of hundred more than we ever had before.

Swimming instruction runs from 8:00 a.m. until 12:00 noon daily, Monday through Friday. Instruction is also given on the forementioned days from 1:00 p.m. to 2:00 p.m. and from nine o'clock until ten at night. The County of Parkland program is the only one which carries over to Saturday. It goes on at the usual time 8:00 to 9:00 a.m.

The instructors for our swimming program this year are Pool Supervisor Linda McMorris, Jack Palmer, Ken Goble, Valerie Moody, Fran Meraw, and Gwen Steeves. Neil Samis will be on staff during the month of August.

Instruction will also be given those interested in qualifying for awards in the Royal Life Saving Society. Further information concerning this phase of the program is available at the pool office.

SUMMER HOCKEY CAMP

Registration for the Drayton Valley Summer Ice Hockey Camp is progressing favorably. As of June 30, a total of fifty boys were signed and sealed for the camp. Of this number an amazing percentage are from out-of-town, generally from across Central Alberta, but a couple from as far away as Yellowknife, N.W.T. To date a relatively small number of Drayton Valley boys have registered for this camp. It would seem however, that from the tentative information available to us from the survey run on the camp last spring, we can expect at least fifty more boys from Drayton Valley and the immediate area. Registrations are still drifting in daily from out-of-town points and the possibility of reaching an adequate number of registrants to proceed with the camp seems very realistic at this point.

While the maximum registration of 180 boys for this camp is still a distant figure, it must be remembered that we are operating on a first come, first served basis and should the maximum registration be reached at any time, no allowance will be made to accommodate late comers.

This will be an excellent opportunity for the boy to expand his knowledge of hockey and sharpen his skills in the game. With Clare Drake and his very qualified staff in charge of instruction, we have right within our reach, right here in our community the setting for one of the tip top hockey camps in Canada.

FIGURE SKATING

The Drayton Valley Summer Figure Skating School is off to a fantastic start. The school opened on Monday, June 30, and since that time the Centennial Civic Centre has been a beehive of concentrated activity. Under the very able professional direction of Harry Nevard the school has shaped into a paragon of efficiency and progress in those first days of operation. The school will continue throughout the summer until August 24 at which time the Hockey Camp will take over the confines of the Civic Centre.

The Drayton Valley Figure Skating Club has done a fine job in the organization and promotion of this school. The registration for July is filled to capacity. Approximately 60 skaters are presently taking instruction and this number will increase later on in the month as more skaters come to the school. There still are some openings for registrations in August, however, the capacity registration mark is not far off and likely will be reached before the final four weeks of the school get under way.

The public is invited to the Civic Centre at any time to watch the skating sessions and the instruction in progress. Anyone attending in the role of a spectator will find that this is a workshop all the way. There are no idle moments nor wasted time, it's work, work and more work on the part of both instructors and candidates.

The Figure Skating Club is offering public skating every Saturday night from 10:00 p.m. until 12:00 midnight and on Sunday from 2:00 p.m. to 4:00 p.m. and from 6:00 p.m. to 8:00 p.m. Skating fees are 50¢ per person or you may obtain a season ticket for $4.50 which will also entitle you to attend the Pops Concert on Ice which features three shows, on July 20th, August 3rd and August 10th. Each of these shows will take on the dimensions of a miniature ice carnival. Here's a chance to skate every weekend and take in three ice carnivals, shows, all for less than a five dollar bill.

PLAYGROUNDS

We will have a supervised playground program this summer starting this week. Playground leaders will be employed at the Rotary Community Park and the Lions Playground during the month of July and August.

The program will be established at both centres during the coming week and more information will be available next week.

Y.E.S. PROGRAM

During the coming week we will try to establish a Youth Employment Service Program here in Drayton Valley. This program will be handled through the Recreation Office. Details have not been finalized as yet. More on this next week.

HERE AND THERE

The local tennis court is still a busy place even in inclement weather we see people out there playing tennis which has become a very popular sport in Drayton Valley.

The Early Bird Swimmers are turning out aplenty this year. We have seen well over thirty swimmers in the pool at 7:00 a.m. on several occasions this year.

Several people have combined their morning jogging with the early swim - sure go well together.

Not too good a year for Minor Baseball here - just can't win them all.

Canada's Air Cadet movement is supervised by more than 7,400 adult volunteers who serve as committee members, officers and instructors with the squadrons.

NOTICE OF DEBENTURE POLL

Edson-Stony Regional High School District No. 2

WHEREAS the Board of Trustees of the Edson-Stony Regional High School District No. 2 of the Province of Alberta on the 30th day of April, 1969, passed By-law No. 1969-2 to borrow the sum of One Million, Three Hundred and Fifty Thousand Dollars ($1,350,000.00) on the security of the said District by the issue of debentures repayable to the bearer in twenty-five consecutive annual instalments with interest at the rate of not more than eight per centum per annum for the following purposes, namely:—

Construction of a masonry High School building at Evansburg to consist of: 8 general classrooms; Science Rooms; Language Laboratory; Library; Home Economics Room; Industrial Arts Room; Gymnasium; Merchandising Room; Typing Room; plus other necessary rooms sufficient to provide a functional educational unit. Site, sewage system and furniture and equipment.

And whereas a demand for a poll of the proprietary electors of the said District for and against the said by-law has been made as required by The School Act, 1955;

Therefore notice is hereby given by the Board of the said District that a poll for the purpose of taking the votes of the proprietary electors for and against the said by-law will be conducted on the 24th day of July, 1969, from 3:00 p.m. until 8:00 p.m., at the following places:

SCHOOL DISTRICT	POLLING PLACE

Minister Clarifies Release On Recreational Dwellings

An advertisement was recently placed in daily and weekly newspapers by the Department of Municipal Affairs advising owners of dwellings used for holiday or recreational purposes of their right to apply for an assessment and tax reduction in 1969, where eligible dwellings were located in Improvement Districts and Special Areas.

The notice has apparently caused owners of dwellings used for holiday or recreational purposes located in towns, villages, summer villages, municiapl districts and counties, to think the assessment and tax reduction is not applicable to their dwellings. Hon. F.C. Colborne, Minister of Municiapl Affairs says that if they are able to meet the same conditions of eligibility as applies in Improvement Districts and Special Areas, the assessment and tax reduction applies to their property as well.

Property owners in areas other than Improvement Districts and Special Areas should apply to their local municipal office for application forms. For this year only, the completed application form must be forwarded to the Municipal Secretary not later than July 15th.

LOST & FOUND

LOST & FOUND - Someone mistakenly took from the Hotel Barber Shop on Friday evening, July 4th, a man's tan, unlined jacket size 42, leaving in place a lined size 40 dark tan jacket. We would like ours returned. Phone 542-4365. 9p

Said the kindly old gentleman to a small boy carrying a load of newspapers under his arm: "Don't all those papers make you tired, my lad?"

"Naw", replied the boy. "I don't read 'em."

Moon Lake Beef Club Enjoys Successful First Year

By Club Reporter
DEB HANSEN

On behalf of the Moon Lake 4-H Beef Club I would like to extend sincere thanks to all who purchased our calves and to Wendy Sekura and his associates for doing the auctioneering on July 4th at our Achievement Day. We would also like to thank our club leader, Norman Johnson for working so patiently with us and to the community club for the use of the Moon Lake Hall for our meetings.

Congratulations go out to Ralph Johnson of the Moon Lake Club for winning the Inter-club Showmanship Competition. This is extremely good since Ralph is only a first year member. Kenny Woloszyn won Grand Champion and Rod Sinclair won Reserve Champion. Ralph Johnson got first place for showmanship and George Cherrington second. Dickie Woloszyn obtained the five dollars for having the best gaining calf in the club.

Our club has ended its first year which has been very enjoyable and educational. The banquet will be held sometime in the fall.

PRECAUTIONS FOR HANDLING FLAMMABLE LIQUIDS

We must not presume that all persons and in particular industrial workers have a good working knowledge of the properties of flammable liquids that they have to handle day by day. Gasoline is such a common commodity that the chance for accidents with it are relatively high. Flammable liquids such as paint thinners and solvents must be treated with the same care and with the same respect and knowledge.

Recently in Edmonton two young men died as a result of an explosion in a shop in which they were mixing a paint thinner with a primer undercoating for protection of the body of a car. The danger was that the paint thinner was vaporizing and an electric sander provided the source of ingition for the volatile vapors.

The basic rules to avoid accidents are: 1. Never mix flammable liquids in the presence of any source of ignition. 2. Special areas and special rooms where sources of ignition are eliminated are needed for such mixing operations. 3. The management must be careful to instruct workmen on the exact nature of the flammable liquid being handled and the conditions under which it must be handled to avoid fire or explosion.

THE HOMEMAKER

MISS SHEILA HUNTER
District Home Economist
10426 - 31st Avenue,
Edmonton, Alberta
Phone 433-8060

Hi! Just a short note to say that I'm your new District Home Economist and looking forward to meeting and working with many of you. This past year I served the Medicine Hat area as the D.H.E. I must admit that it's nice to get back to seeing some trees! Why not drop into the office or phone. I'll be travelling around the district doing home visits; so hope to meet many of you then.

ALBERTA WOMEN'S WEEK

Need a break from the routine chores of housekeeping? Plan now to take in four, or even one day of enlightenment and attend the Alberta Women's Week at Olds, Alberta, July 14-17 inclusive.

I can hear the replies already - - "I can't desert my family for four days!" Why not venture forth with a carload of women and spend even one day. To give you an idea of the 'action' I've outlined the week's highlights below:

Monday - registration, tea and tour of O.A.V.C.; Foods Demonstration "Alberta Product - Buffet Style"

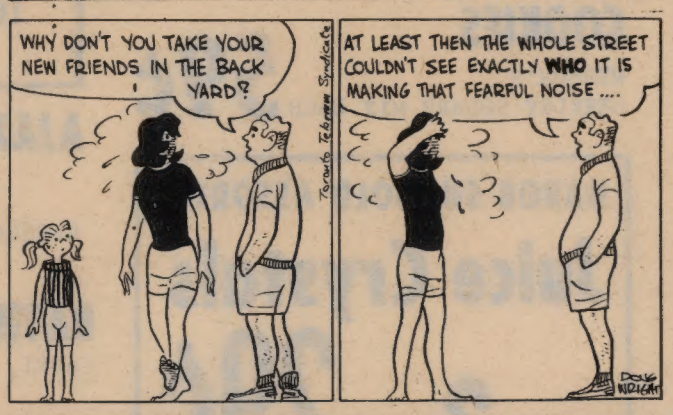
Tuesday - Family Focus is the theme for the day and the following topics will be discussed: "How Marriage is Changing" "A move to The City - What's Different?" "What's What With Drugs".

Wednesday - "Consumer Focus" as the theme leads into: "Wonder Foods - Everyone of Them" "Please Come to the Table" "Can We Eat Well for Less" "Concepts of Consumerism".

Thursday - The focus will be "Man and Woman" "From Junk to Jewels" "A Mandate to Women's Organizations" Important Facts for Every Family - New Legislation: Wills & Estates. Banquet with a guest speaker to discus "Television and the Family Good or Bad?

For more detailed information, contact this office by phone or mail and we'll send you programs and application forms.

CYNTHIA



WHY DON'T YOU TAKE YOUR NEW FRIENDS IN THE BACK YARD?
AT LEAST THEN THE WHOLE STREET COULDN'T SEE EXACTLY WHO IT IS MAKING THAT FEARFUL NOISE....
